2023

Quantum Machine Learning Seminar Organized by Faculty of Computer Science and Multimedia, Lincoln University College

The Quantum Machine Learning Seminar, held on 3rd July 2023, was a resounding success! 🚀 We extend our heartfelt thanks to everyone who attended and made this event a memorable one.

During the seminar, we delved into the exciting world of Quantum Machine Learning, exploring the fusion of quantum computing and cutting-edge algorithms. Our esteemed guest speaker, Prof. Dr. Amlan Chakrabarti, Director of A.K. Choudhury School of Information Technology, University of Calcutta, shared invaluable insights and expertise, leaving us inspired and enlightened.

We would like to express our gratitude to Prof for his exceptional contribution, as well as to all the participants who made this event a vibrant and engaging experience.

Workshop on Image Recognition Case Analysis Using Python Organized by Faculty of Computer Science and Multimedia, Lincoln University College

The Faculty of Computer Science and Multimedia, Lincoln University College, Malaysia had an amazing workshop on Image Recognition Case Analysis Using Python conducted by the talented alumna, Ms. Wang Jing (Master of Computer Science, 2022) at the Lincoln University College campus.

The workshop provided a comprehensive introduction to the field of image recognition and demonstrated how Python can be used to analyse and classify images.

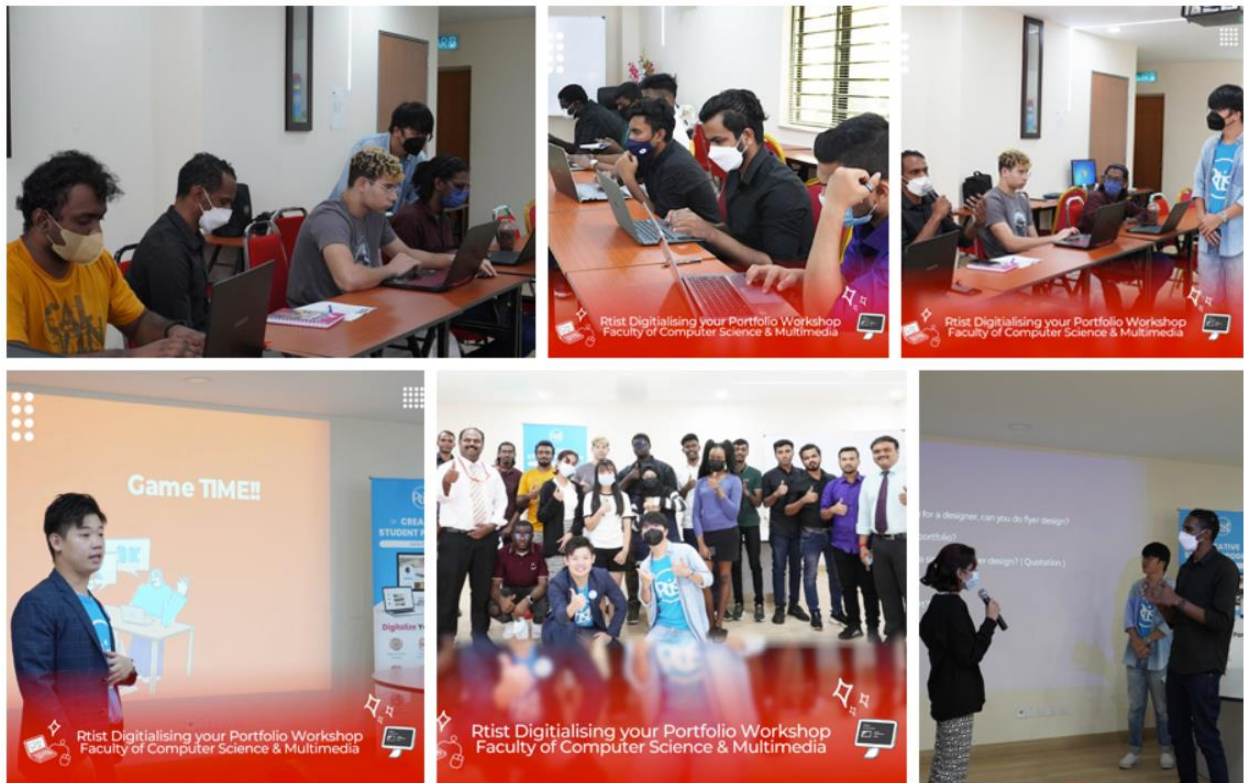

The hands-on exercises allowed participants to implement various image recognition techniques and gain a deeper understanding of the practical applications of this technology.

Ms. Wang Jing's contribution to the learning community and the active participation of all the participants are highly appreciated.

Workshop on Digitalizing the Portfolio for Multimedia Students Organized by Faculty of Computer Science and Multimedia, Lincoln University College

A Workshop on Digitalizing the Portfolio for Multimedia Students was organized on November 24, 2022 by the Faculty of Computer Science and Multimedia, Lincoln University College, Malaysia. The session was conducted by Rtist – Creative Platform, Selangor, Malaysia. The workshop was aimed at the Multimedia students to motivate and enable them to start their career journey as artists.

Faculty Development Programme for Elevating Research Competence: A Methodological Approach on October 6, 2023 Organised by Lincoln University College (LUC), Malaysia.

The Faculty Development Programme has been attended by 46 Faculty members from KPR College of Arts, Science and Research, Coimbatore, Tamil Nadu, India. Prof. Dr. Abhijit Ghosh, Dean, Faculty of Business, Lincoln University College, Malaysia delivered welcome note, Prof. Dr. Amiya Bhaumik, Founder & President, delivered the Keynote Address, and, Prof. Dr. Sandeep Poddar, Deputy Vice Chancellor (Research & Innovation) served as the resource person and conducted the programme. The faculty members of KPR College also met Associate Prof. Dr. M. S. Bexci, Faculty of Social Science, Lincoln University College and made a short campus tour.

6th International Conference on Healthcare and Allied Sciences (ICHAS 2023)

- Date: October 4-5, 2023
- Host: Lincoln University College (LUC), Malaysia
- Collaborating Institutions: Sari Mutiara Indonesia University, Indonesia, and Mindanao State University
- Iligan Institute of Technology, Philippines
- Venue: Summit Hotel Subang USJ, Malaysia

Purpose:

- Establishing a platform for distinguished dignitaries to exchange innovative ideas.
- Providing hands-on experiences for practical application in research.
- Fostering new relationships among participants.

Opportunities:

- Creating prospects for future collaborations with global partners.
- Focusing on building strong relationships between industry and academia.

Networking:

- Serving as a bridge connecting professionals from diverse fields.
- Participants including Biologists, Health officials, Nurses, Medical professionals, Microbiologists, Pharmaceutical Scientists, Physicians, and other delegates.

International Conference on Recent Trends in Business and Entrepreneurial Ventures (ICRTBEV 2023)

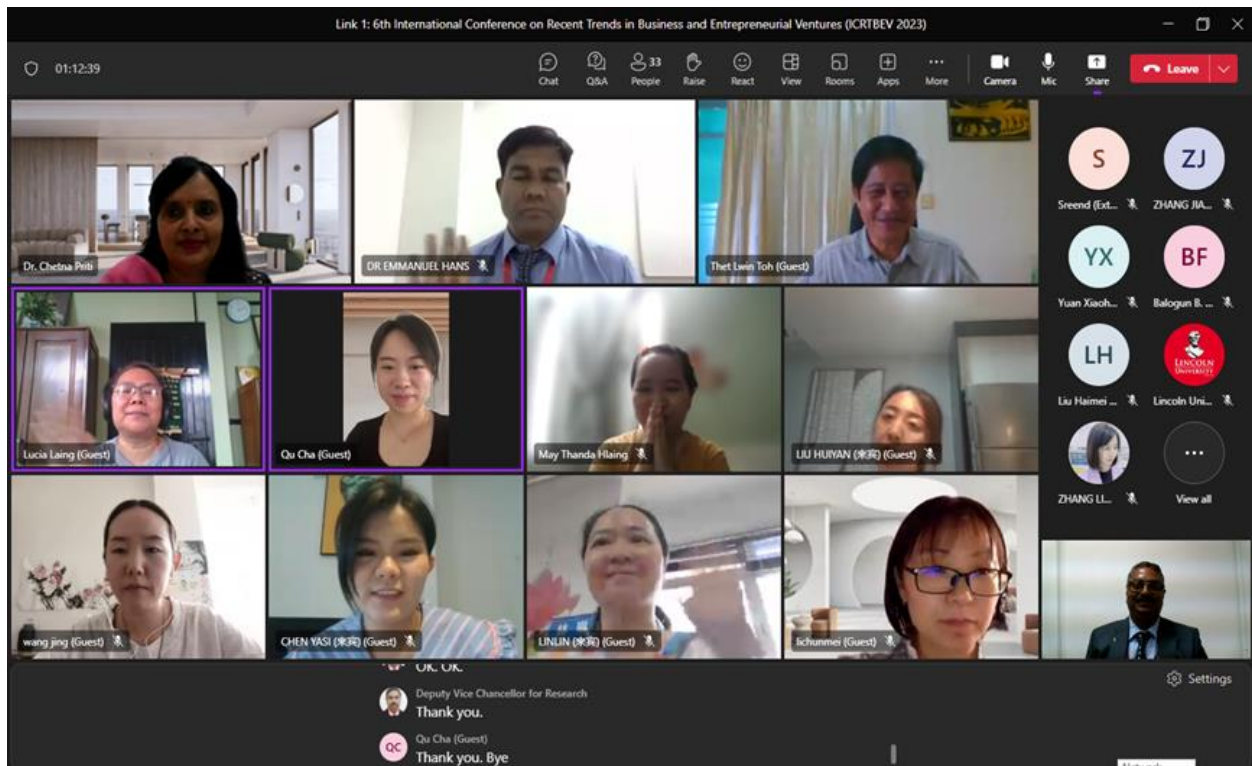

The 6th International Conference on Recent Trends in Business and Entrepreneurial Ventures (ICRTBEV 2023) was organised by Lincoln University College, Malaysia on September 5-6, 2023.

Focal Theme: Sustainable Development from Business and Social Perspective

Aims & Objectives: The conference, which aimed at the promotion and presentation of peer-reviewed research, brought together high-level public and private sector decision makers as well as entrepreneurs, investors and researchers from the South East Asian region and abroad. The conference also focused on building a bridge and linking start-ups and SMEs to investors, financiers, and established corporates in the region to create business partnerships and joint ventures.

Topics Encompassing Diverse Fields: Corporate Governance, Financial Management, Marketing, Operations, CSR, Finance, Supply Chain, International Business, Global Economics, Knowledge Management, Developing Nations, Multinationals, Cross-Cultural Management, HR, Insurance, Entrepreneurship, Healthcare, Waste & Energy Management, Hospitality, Tourism, Water Resources, and many more.

Industry Visit to Intaniaga Muzamal Sdn. Bhd. by Faculty of Pharmacy, Lincoln University College

Students and staff members of the Faculty of Pharmacy, Lincoln University College, Malaysia led by Madam Hazrina Binti Hamid, visited Intaniaga Muzamal Sdn. Bhd. at Cheras on August 18, 2023. The students have been exposed to various stages involved in syringe, specimen container, and surgical suture production. Following the visit, the CEO and Manager of the company introduced more products that had been distributed by them. Madam Hazrina thanked Intaniaga Muzamal's authorities and staffs for facilitating and delivering such a comprehensive explanation regarding their products. The visit was completed with a group photo and lunch session.

International Internship Program by Lincoln University College, Malaysia

The recent International Internship Program by the Faculty of Pharmacy, Lincoln University College (LUC), Malaysia has garnered widespread recognition as it congratulates the accomplished pharmacy students from Sandip University, India for the successful completion of their intensive and rigorous four-week experiential internship.

The program, meticulously orchestrated by the Faculty of Pharmacy, LUC has proven to be a transformative experience for the dynamic young minds. The carefully crafted 28-day International Internship Program, meticulously designed by the Faculty of Pharmacy team, LUC has left an indelible mark on the participating students.

Lincoln University College extends a warm invitation to a diverse audience, including corporations, universities, institutions, colleges, schools, and ambitious students and professionals across India, to explore and capitalize on the specialized international internship programs. This initiative promises to unlock new avenues of learning and growth, fostering invaluable cross-cultural experiences.

In a remarkable display of expertise and dedication, Dr. Sandhya Borse, a respected faculty member at Sandip University, India was honoured by Dean of the Faculty of Pharmacy, Prof. Dr. Mohd Shahimi Mustapha, Lincoln University College with an Appreciation Certificate.

Coffee Session on “Mastering Scalability”

The coffee session on “Mastering Scalability” with Raymond H’ng, Group CEO & Co-founder of AFAI, hosted by the Faculty of Computer Science and Multimedia was an invaluable opportunity for attendees to gain insights and strategies for building and scaling successful technology businesses.

Raymond H’ng shared his expertise and offered valuable tips, empowering aspiring entrepreneurs with the knowledge and inspiration needed to navigate the challenges of scaling their ventures. The interactive Q&A session provided personalized insights and solutions to the attendees’ business queries, fostering a dynamic and engaging atmosphere.

CBCT Hands-on Workshop

23rd September, 2023, Lincoln University College – Faculty of Dentistry

COURSE OBJECTIVE:

This course provides knowledge of the basic principles of CBCT technology, including selecting and optimizing imaging protocols, reducing radiation risk, recognizing CBCT appearances of common anatomical variants and pathological changes, and an introduction to systematic interpretation and reporting of CBCT examinations. The course aims at bridging the gap in knowledge for current CBCT users as well as those who would like to invest in a CBCT machine.

At the end of the workshop, participants will be able to:

- ✓ Understand the basic principles, advantages and limitations of CBCT imaging
- ✓ Gain the skills needed to justify, take and interpret CBCT scans for various dental disciplines.
- ✓ Recognize normal anatomy and common imaging artifacts on a CBCT scan
- ✓ Incorporate CBCT data into treatment plan to maximize patient benefits

Resource person and Organiser:

Dr. Anand Krishnan – Department of Oral Radiology, LUC – Faculty of Dentistry

Dr. Sita Gogula – Department of Oral Radiology, LUC – Faculty of Dentistry

Venue:

computer lab, level 4, Lincoln University – Kelana Jaya Learning Site, SS7 – Kelana Jaya, Selangor.

COURSE OUTLINE:

Full day Workshop: 9.00 AM – 3.00 PM

- **Basics of CBCT (Identification of Standard Radiographic landmarks, Pathologies and Anomalies) by Dr. Sita G**
- **Applications, Interpretations and Incorporating CBCT data in your practice by Dr. Anand K**
- **Utilization of CBCT software platforms by Dr. Anand K**
- **Hands on CBCT Software navigation by Dr. Anand K and Dr. Sita G**
- **Open Q & A Session**

PROGRAM TIME SCHEDULE:

9:30 AM	Registration
10.00 – 11.00 AM	Basics of CBCT (Identification of Standard Radiographic landmarks, Pathologies and Anomalies)
11:00 – 11.30 AM	Coffee Break
11:30 - 1:00 PM	Applications, Interpretations and Incorporating CBCT data in your practice Utilization of CBCT software platforms
1.00 – 2.00 PM	Lunch break
2.00 – 3.00 PM	Hands on CBCT Software navigation
3.00 – 3.30 PM	Q & A session with the faculty over tea

Justification for this course:

- There has been a request from students and private practitioners who regularly refer their patients for radiology consult to our institution.
- LUC Oral radiology faculty has the expertise to conduct the course.
- This workshop has been designed by specialists in the field of oral radiology for the benefit of general dental practitioners.
- Our faculty has experience of conducting workshops at Government and Private Institutions / Hospitals in Malaysia and has been appreciated for the same in the Past.

Target audience:

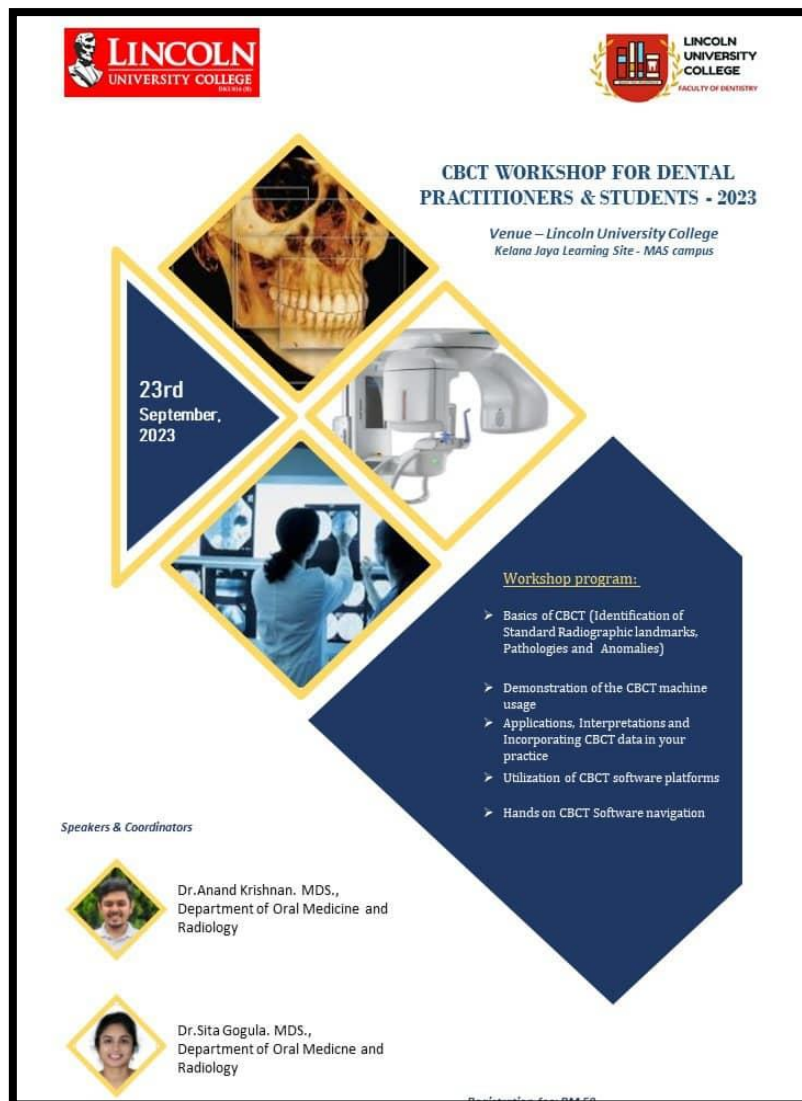

Private dental practitioners, Ministry of health dental officers and specialists, academic staff and students and LUC alumni and students in gap years with a limitation to 30 Participants.

Facilities Provided

- Participants will be provided with course material and cases for the Hands on workshop.

- Desktop will be provided for every participant. However, interested participants can bring their personal laptops.
- Participants are welcome to interact with the radiologists after the hands on workshop.
- Lunch and refreshments will be provided for all involved.

Hands-On Workshop Flyer

The flyer is a vertical rectangular poster with a white background and a black border. At the top left is the Lincoln University College logo. At the top right is the Faculty of Dentistry logo. The main title is 'CBCT WORKSHOP FOR DENTAL PRACTITIONERS & STUDENTS - 2023'. Below the title is the venue information: 'Venue – Lincoln University College, Ketana Jaya Learning Site - MAS campus'. The date '23rd September, 2023' is displayed in a blue triangle. A central graphic features a diamond shape containing a 3D skull model and a photograph of a person at a CBCT machine. To the right, a large blue polygon contains the workshop program details. At the bottom left, two speaker portraits are shown with their names and titles: Dr. Anand Krishnan, MDS., and Dr. Sita Gogula, MDS., both from the Department of Oral Medicine and Radiology.

DR. AMIYA BHAUMIK, PRESIDENT, LINCOLN UNIVERSITY COLLEGE, MALAYSIA MEETS HE SOK PRASIDH, MINISTRY OF INFORMATION, CAMBODIA FOR COOPERATION IN EDUCATION & HUMAN RESOURCE DEVELOPMENT

On January 11, 2023, Dr. Amiya Bhaumik, the President of Lincoln University College, Malaysia, met HE Sok Prasidh, Secretary of State and Chairman, Scholarship Commission of the Ministry of Information, to discuss about the cooperation in the fields of education and human resource development.

Dr. Bhaumik had some important talks with HE Sok Prasidh about the relationship between Cambodia and Malaysia in the domains of economy, society, and culture. His Excellency told the guests that the Ministry of Information, which is part of the Royal Government of Cambodia and is in charge of spreading information, has worked hard to do its job in line with the laws and policies of the Royal Government, which has helped build the motherland.

The Ministry of Information has established a committee in charge of scholarships to facilitate the receipt of scholarships from universities and institutions, both domestic and foreign, for civil servants in the Ministry. At the same time, the Ministry of Information Scholarship Committee also has a vision to provide scholarships to civil servants in other ministries.

The Ministry of Information, under the leadership of HE Khieu Kanharith, always pays attention to cooperate with partners to promote and develop the information and media sectors in Cambodia through the promotion of human resources, technology, materials, and the exchange of experiences.

HE Sok Prasidh, jointly with Dr. Amiya Bhaumik, assessed that this meeting will be a good chance for the Ministry of Information and the University to work together on developing human resources, especially by giving scholarships to civil servants so they can keep learning new skills.

Dr. Amiya Bhaumik remarked that Lincoln University College, Malaysia plans to contribute to the promotion of education in Cambodia by signing a Memorandum of Understanding (MoU) to establish cooperation to provide scholarships to the Ministry of Information.

During the discussion, the two sides shared their experiences on human resource development in information, media, and other fields, as well as on cooperation between the two countries as ASEAN members.

Dr. Bhaumik also enumerated that the project could establish a university or collaborate with other universities in Cambodia. Through the collaborative curriculum, the aspirants will be able to continue to study abroad as a partner of Lincoln University College, Malaysia.

COMMUNITY INVOLVEMENT IN SUPERVISING FAST FOOD TO IMPROVE FAST FOOD HYGIENE AND SANITATION

Lincoln University College, Malaysia organized Brown Bag Seminar Series for Strengthening International Collaboration.

The lecture on the topic “Community Involvement in Supervising Fast Food to Improve Fast Food Hygiene and Sanitation” was delivered by Dr. Ph. Tasnim, Director of International Relations Institution, Mandala Waluya Universitas, Indonesia on February 9, 2023.

The seminar supports the following United Nations Sustainable Development Goals (UN SDGs) related to Food Availability & Safety Ensure healthy lives and promote well-being for all at all ages:

LINCOLN UNIVERSITY COLLEGE
1997-2013 Celebrated

Brown Bag Seminar Series
Topic : Community Involvement in Supervising Fast Food to Improve Fast Food Hygiene and Sanitation

Date: Thursday, 9th February 2023 • Time: 2.00pm. (Kuala Lumpur Malaysia)

WORKSHOP ON IMAGE RECOGNITION CASE ANALYSIS USING PYTHON

We Faculty of Computer Science and Multimedia Lincoln University College excited to announce a workshop in image recognition case analysis using python, conducted by our talented alumna, Ms. Wang Jing(Master of Computer Science-2022).

The poster is for a workshop titled "IMAGE RECOGNITION CASE ANALYSIS USING PYTHON WORKSHOP". It features a portrait of Ms. Wang Jing, a woman with dark hair wearing a white shirt, set against a circular orange and white background. The text on the poster includes the workshop title, a description "Unlock the power of image recognition with Python: A case-based approach", the date "FRIDAY, 7TH APRIL" at "11:00 AM", and the location "@ COMPUTER LAB 2, FACULTY OF COMPUTER SCIENCE & MULTIMEIDA, LEVEL 4, NO. 2, JALAN STADIUM, SS 7/15, KELANA JAYA, 47301, PETALING JAYA." A QR code is provided for registration. A purple callout bubble identifies Ms. Wang Jing as a "Conducted by Alumna of Master of Computer Science - 2022 Lincoln University College". Her title is listed as "LECTURER, XINGYI NORMAL UNIVERSITY, CHINA". The Lincoln University College logo is in the top right corner.

This workshop, to be held on April 7th at 11am in our computer lab2, will provide a comprehensive introduction to the field of image recognition and demonstrate how python can be used to analyze and classify images.

Through hands-on exercises, participants will learn how to implement various image recognition techniques and gain a deeper understanding of the practical applications of this technology.

MEDIA: THE ROLE, EVOLUTION AND CHALLENGES

Lincoln University College, Malaysia organized Brown Bag Seminar Series for Strengthening International Collaboration.

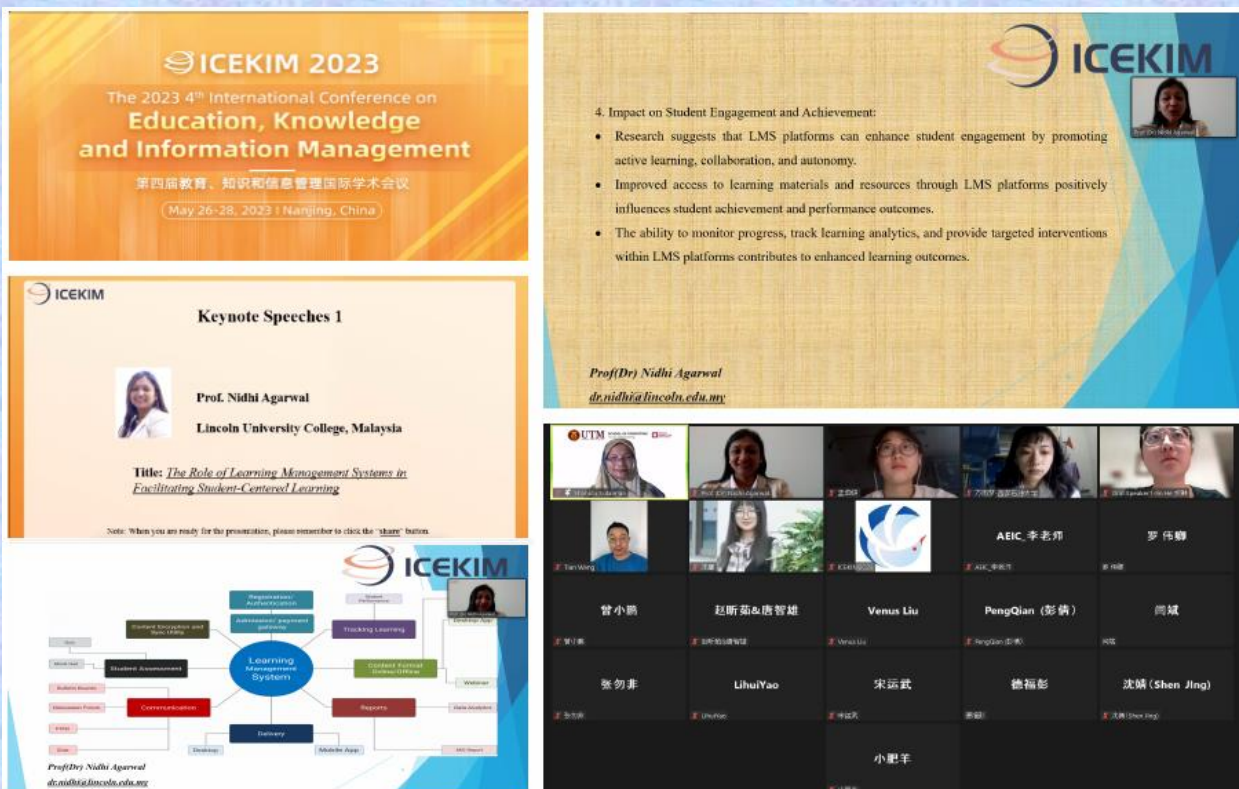

Ms. Payel Sengupta, Editor, Sananda Magazine, ABP Pvt Ltd., Kolkata, West Bengal, India delivered lecture on the topic “Media: The Role, Evolution and Challenges” on March 9, 2023. Her lecture focused on the role, development and various challenges faced by media in the present-day world.

Link: <https://www.youtube.com/live/6mfBDId7IO0?feature=share>

4TH INTERNATIONAL CONFERENCE ON EDUCATION, KNOWLEDGE, AND INFORMATION MANAGEMENT (ICEKIM 2023)

Prof. Nidhi Agarwal, Faculty of Social Science and Humanities, Lincoln University College, Malaysia delivered a Keynote Speech in the 4th International Conference on Education, Knowledge and Information Management (ICEKIM 2023) organized in Nanjing, China on May 26-28, 2023 in hybrid mode.

The title of the Keynote Speech was, “The Role of Learning Management Systems in Facilitating Student-Centered Learning”. It explained about the ways in which LMS can support student-centered learning and personalized instruction. It could investigate the features and tools of LMS that promote learner autonomy, self-regulation, and active engagement.

Prof. Agarwal’s speech encompassed a diverse range of key concepts, practical strategies, and inspiring anecdotes. With a masterful blend of theory and real-world examples, she explored

emerging trends, discussed pressing issues, and provided valuable insights into the future direction of the field.

The predominant aim of Prof. Agarwal was to equip the audience with actionable takeaways and innovative approaches that they could readily apply in their own endeavours. Through her engaging delivery and thought-provoking content, Prof. Agarwal left an indelible impression on the attentive audience, solidifying her standing as an authoritative figure in the realm of social sciences and humanities.

INTERNATIONAL CONFERENCE ON RECENT ADVANCEMENT IN SUSTAINABLE HEALTHCARE (ICRASH 2023)

International Conference on Recent Advancement in Sustainable Healthcare (ICRASH 2023) was organized by Lincoln University College, Malaysia on May 23-24, 2023.

The basic idea behind the conference was to make a platform for the distinguished dignitaries to exchange new ideas and apply hands on experiences to build up new relationships in research.

The focus of the conference was on the latest and most exciting findings in the following areas like healthcare, nursing, pharmacy, biotechnology, biochemistry, molecular biology, environmental sciences etc.

LIVE SEMINAR ON QUANTUM MACHINE LEARNING

Calling all tech enthusiasts and data aficionados!

Brace yourself for an immersive seminar on Quantum Machine Learning!

Date: 3rd July 2023

Time: 2 PM to 5 PM

Venue: Computer Lab 2, Faculty Forum Computer Science and Multimedia, Level 4, Lincoln University College, Malaysia.

We are thrilled to welcome our distinguished guest speaker, Prof. Dr. Amlan Chakrabarti, Director of A.K. Choudhury School of Information Technology, University of Calcutta.

Unlock the secrets of Quantum Machine Learning and witness the fusion of quantum computing and cutting-edge algorithms! Get ready to:

- Deep dive into the realm of quantum-enhanced learning model
- Explore real-world applications and breakthrough
- Gain insights from the renowned expert in the field
- Connect with like-minded professionals and researchers

Unleash the limitless potential of Quantum Machine Learning!

The poster is for a live seminar on Quantum Machine Learning. At the top, it features the Lincoln University College logo and a ranking badge: 'Ranked up 32nd Impact ranking 2023 For Quality Education THE HIGHER EDUCATION QUALITY ASSURANCE AGENCY 2023'. The main title is 'Live Seminar on Quantum Machine Learning' with the date and time '3rd July 2023 - 2:00 PM to 5:00 PM'. A quote reads: 'Quantum Leap: Unlocking the Future with Quantum Machine Learning'. The speaker is 'Presented By Prof. Dr. Amlan Chakrabarti, Professor and Director, A.K. Choudhury School of Information Technology, University of Calcutta, India'. A circular portrait of the speaker is shown. The venue is 'Computer Lab 2, Level 4, Faculty of Computer Science and Multimedia, Lincoln University College, No. 2, Jalan Stadium, 55 7115, Kelana Jaya, 47201, Petaling Jaya, Selangor Darul Ehsan, Malaysia'. Registration fees are listed as 'Face to Face : RM 50' and 'Online : RM 30'. A 'Register Here' button with a QR code is at the bottom right.

IFPH TALKS: “BRAIN TUMOR AND MANAGEMENT WITH HOMEOPATHY”

Dr. Partha Chakraborty of Department of Homeopathy, Lincoln University College, Malaysia delivered a series of lectures on “Brain Tumor and Management with Homeopathy”. International Forum for Promoting Homoeopathy (IFPH) organizes this daily webinar which is named IFPH Talks.

The discourses have been highly appreciated by the members and listeners. International Forum for Promoting Homoeopathy is an organization formed with Homoeopathic lovers, students, and Doctors all over the world. So far three sessions on this topic have been conducted.

INTERNATIONAL PHYSIO CONFERENCE 2023

Mr. Ravikumar Katta, Head of the Department, Department of Sports Science and Fitness, Faculty of Applied Science, Lincoln University College, Malaysia was invited at the International Physio Conference 2023 in Greater Hyderabad, India as the keynote speaker. The conference was organised by Physio Foundation of India & MNR College of Physiotherapy.

Mr. Katta received an Academic Excellence Award as well.

1ST INTERNATIONAL CONFERENCE ON GLOBAL EDUCATION (ICOGE 2023)

1st International Conference on Global Education (ICOGE 2023), focusing on educational trends, issues and innovations, was organized on July 4-5, 2023 by the Faculty of Social Sciences, Arts, and Humanities, Lincoln University College, Malaysia at Armada Hotel, Petaling Jaya, Malaysia. ICOGE 2023 aimed to offer a platform for local and international academicians, educators, planners and teaching professionals to meet, discuss and share latest research and fundamental advances in the field of education. Dr. Upasana Gitanjali Singh, University of KwaZulu-Natal, South Africa, Professor Syed Arabi Bin Syed Abdullah Idid, International Islamic University Malaysia, Malaysia, Assistant Professor Dr. Laura M. Morett, Alabama University, United States of America, and Associate Professor Dr. James A. Cohen, Northern Illinois University, United States of America were the speakers of the conference. ICOGE 2023 also aimed to encourage engagement between the participants in a wide variety of scientific areas to collaborate towards improving education related applications.

INTERNATIONAL WEBINAR ON ‘HERBAL MEDICINE’

The International Webinar on ‘Herbal Medicine’ organized by the Faculty of Pharmacy, Tiara Bunda Polytechnic in West Java, Indonesia, held on August 26, 2023, was a significant gathering of knowledge and expertise in the field of herbal medicine.

The highlight of the webinar was the esteemed presence of Dr. Mohammad Gousuddin, Faculty of Pharmacy, Associate Professor, Lincoln University College, Malaysia, who graced the occasion as the guest keynote speaker. Dr. Gousuddin’s presentation, titled “Herbal Medicine Current Trends and Future Prospects”, shed light on the evolving landscape of herbal medicine, emphasizing its current significance and the potential it holds for the future. His expertise and valuable insights undoubtedly left a lasting impression on all participants, contributing to the advancement of knowledge in this vital field of healthcare.

With a total of 106 bachelor and postgraduate pharmacy students in attendance, the event provided a unique platform for the exchange of ideas and insights into the world of natural remedies.

The poster features logos for Politeknik Tiara Bunda, Taipei Medical University, and Lincoln University College. The main title is 'INTERNATIONAL WEBINAR - HERBAL MEDICINE'. A red starburst graphic states 'FREE! Doorprize Rp12.500.000 & E-Certificate'. Below are seven circular portraits of participants with their names and titles: Bdr. Lusy Pratiwi, S.Tr.Keb, M.KM (Director of Politeknik Tiara Bunda), Apt. Rahayu Mustika Sari, M.Farm (Lecturer of Pharmacy Politeknik Tiara Bunda), Ho-Cheng Wu, Ph.D (Assistant Professor Taipei Medical University), Dr. Mohammad Gousuddin (Associate Professor Lincoln University College), Lola Tulak Reung, M.Farm MC, Nizi Ambarani, M.Farm (Moderator), and Ade Irma Suryani, M.Farm (Moderator). At the bottom, it lists the date and time: 'SATURDAY, 26 AUGUST 2023 07:30 - 12.00 AM WIB', a Zoom link for registration: 'https://bit.ly/Pharma1-2023', a QR code, and contact information for Irma: 'CONTACT PERSON 0812-5663-3030 (Irma)'. Social media handles for Instagram (@politekniktirabunda) and Facebook (@politekniktirabunda) are provided, along with the website 'www.politekniktirabunda.ac.id'.

NURSING INTERNATIONAL CONFERENCE

The Nursing International Conference, with an objective of “Healing Hearts, Nurturing Lives: Advancing Cardiac Nursing and Newborn Care for a Healthier Future”, was organised on August 4, 2023. The event was held via Zoom Meeting by Universitas Sumatera Barat, Indonesia. Prof. Dr. Farida Bin Moh Said, Professor, Faculty of Nursing, Lincoln university College, Malaysia attended the conference.

The other attendees of the program included Dr. Hj. Nurtati, Rektor Universitas Sumatera Bara, Dr. Puthi Dwi Untari, Ketua Yayasan Pendidikan Sumatera Barat, Dr. Tommy Deides, Cardiologist, Institut Jantung Negara, Malaysia, Hilda, Professor of Medical Sciences, University of Tsukuba, Japan and Rahmatul Ulya, Fakultas Ilmu Kesehatan, Universitas Sumatera Barat, Indonesia.
