Effective Date: October 2025

At First American Medicare (www.firstamericanmedicare.com), we are committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your personal information when you visit our website or provide your information through our online forms.

Information We Collect

We may collect personal information that you voluntarily provide to us through our website forms, such as your name, email address, phone number, and other relevant details. Providing your phone number is optional and will only be used as described in this policy.

How We Use Your Information

We use the information you provide to respond to your inquiries, deliver requested services, and send informational or promotional SMS messages if you have given explicit consent to receive them. You may opt out of receiving SMS messages at any time by replying STOP.

SMS Messaging and Consent

If you choose to provide your phone number and opt in to receive SMS messages, you may receive messages that are informational (such as reminders or updates) or promotional (such as new plan announcements or benefit alerts).

Your consent to receive SMS messages is entirely optional and is not required to obtain our services. Our website forms include a separate, unchecked checkbox allowing you to consent to receive SMS communications. This checkbox is not combined with any other consent such as email, phone, or terms of service consent.

Sharing of Personal Information

We do not sell, rent, or share your personal information or phone numbers with third parties for their marketing purposes. SMS consent and phone numbers provided for text messaging are used solely for communication from First American Medicare and are not shared with third parties.
