

Citation Jet

Automatic Draining Toilet Drip Pans

CJ Series Drip Pans

Protect your investment, whether your jet is fresh off the production line or an older serial number. These pans help protect against blue water spills that can cost you over a quarter million dollars in expensive structural repairs due to corrosion. We have drip pan kits for multiple models of Citation jets. If you have a need and don't see parts for your aircraft model, let us know and we'll look at adding your needed parts to our list! Buy our PMA parts at www.atadllc.com, contact ATAD at sales@atadllc.com, or call us at 734-433-0400 for questions and additional options.

TA05-1116000-K001 CJ4 (Model 525C) Drip Pan, External Serviceable Toilet
