

THURSDAY'S CHILD

2025 saw the release of the band's second album, **Moving On**. The opening track, **The Positive Pain** was picked up as a Track of The Week on Radio Caroline. Since then various tracks from both albums have featured on 'Caroline.

Craig (guitars & vox) and **Andy** (guitars, vox & harp) were brought together by a love of music, football and classic British comedy and they began performing their own material as a duo. Since releasing the album **The Beautiful Game** in 2023 they now have **Dave** (drums) and **Matt** (bass) to bring an added dynamic to the group. Dave & Matt have been playing since their teens so the experience of the Rhythm section makes for a really tight sound. They gig in and around London and the South East and have enjoyed playing several local festivals.

Both Albums, together with some Single Releases, can be found on all major streaming platforms – Links to Spotify & Apple can be found here. They also have a presence on YouTube that can be accessed by [Clicking Here](#) and a link to the Video of the Single **The Sun Is Going to ...** is on the image to the left.
