

BMC
PRODUCTS

COVID-19 RESPONSE: As a response to the global demand for PPE supplies, BMC Products has sourced several key items from known, reputable and fair manufacturers. While many suppliers are suddenly manufacturing all sorts of products as an effort to take advantage of and profit from the world COVID-19 crisis, BMC has long lasting relationships with the manufactures of the items listed below. Furthermore, BMC has vetted these suppliers to ensure that they are in compliance with the must current quality manufacturing practices (e.g., ISO 13485:2016) and that their products have been tested to the appropriate standards. We at BMC Products are making every effort to qualify our suppliers and to offer these products at a fair and reasonable price.

BMC
PRODUCTS

BMC Products presents the ZhiZhen Bio Tech, KN95 Mask.

ZhiZhen BIO Tech KN95 Mask comes in sealed bag containing 10 masks, (bag helps control contamination in the field and preserves lifespan). Comfort woven and form fitting. Our KN95 meets industry standard provides 95 percent filtering of particles with a mass median diameter of 0.3 micrometers. Therefore, our mask can protect you from PM10, PM2.5, and even smaller articles. This mask can help reduce respiratory exposure to COVID-19 & certain microbial particles in the air such as mold, Influenza, Bacillus Anthracis, and Mycobacterium Tuberculosis.

Shenzhen CCT Testing Technology Co., Ltd.

Owner/Operator Number: 10062971

Device Listing: See Next page

CCT will confirm that such registration remains effective upon request and presentation of this certificate until the end of the calendar year stated above, unless said registration is terminated after issuance of this certificate. CCT makes no other representations or warranties, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. This certificate does not denote endorsement or approval of the certificate holder's device or establishment by the U.S. Food and Drug Administration. CCT assumes no liability to any person or entity in connection with the foregoing.

Pursuant to 21 CFR 807.39, "Registration of a device establishment or assignment of a registration number does not in any way denote approval of the establishment or its products. Any representation that creates an impression of official approval because of registration or possession of a registration number is misleading and constitutes misbranding." The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration. CCT is not affiliated with the U.S. Food and Drug Administration.
