

## GOD IS #1 FINGER

Jesus taught the Parable of the Wealthy Man to help us understand that life is more important than material goods. We will not be able to take our toys, clothes or other objects with us to heaven so we should put our relationship with God first. For today's craft, the children will each decorate a foam finger, similar to the foam fingers sports fans use to show support of their team, so they can celebrate and show their love to God!

## DIRECTIONS

### PREP BEFORE SERVICE

1. Print out the Foam Finger printables onto white cardstock and cut out.
2. Staple or tape the edges together to create a pocket.

### DURING THE SERVICE

1. Distribute markers to each table.
2. Give each child one Foam Finger and help them write their name on it.
3. Invite the children to color their foam finger.
4. Remind the children of the teaching objective.
