

We are excited to announce second annual Members Exhibition to celebrate the new year, Always Greener!

This year's theme is green. Two- and three-dimensional artwork may include other colors, but the main color must be a shade of green. The color green represents many different emotions, ideas and thoughts. Your mind may first be drawn to nature, growth, renewal and peace. What else does green represent?

Please feel free to message us if you have questions about the call for entry. If you are not yet a member for the 2022 year and want to submit work, this is the perfect time to join!
