

CALL FOR ART - BAC 2022 Holiday Gift Show

Our 2022 Holiday Gift Show is open for submissions! This shows theme is open to all art media and craft. We recommend submitting items that our guests may like to buy as gifts for the holiday season. We encourage \$50 or less for each piece of artwork, however, this is not a requirement. Holiday themed items are great; however, they are not required to be holiday themed.

Our gallery will be open for in-person shopping during this event, with one appointment only day for our exhibition opening: **November 26th (Small Business Saturday)**. The show will be on display during regular business hours until December 17, which will then close us out for the season.

We are offering Artist Demo slots for the weekend dates throughout the duration of the show. Please sign up for a slot by using the **digital** Submission Form below.
