

2021 Holiday Gift Show

We are now accepting applications for our 2021 Holiday Gift Show. This show is open to all media and craft. We are requesting items entered are \$50 or less. Holiday items are great; however, they are not required to be holiday themed.

This year, for our gallery walls, we are requesting “tiny art” for our Tiny Art Exhibition that will coincide with the Holiday Gift Show. Tiny art is typically 8” x 8” or smaller. All work for this exhibition must be equipped with either a wire hanger or velcro. Reference to our gallery guidelines. We are limiting the quantity of artwork for this show to 10 per artist.

We are offering 10 opportunities for artists to demo for guests during the show. For example: artists may host a make & take demo, where you sell your artwork after making it in real time for guests. Artists could also demo their process in real time; paint a painting, create a macrame ornament, create jewelry, etc.

We will be offering Weekend slots for artist demos. Available times to book: December 4, 7, 15, 17 & 18. There are two available times on each day: 11am – 3pm & 3pm – 7pm.

Our gallery will be open for in-person shopping during this event, with one appointment only day for our exhibition opening: November 28th (Small Business Saturday).
