

We are excited to introduce the theme idea from our exhibition committee. We want to highlight a medium that is sometimes left out of the fine art world. For this special experimental exhibition, we will be calling for artwork from illustrators, digital artists, and video/media artists! The theme is open-ended, with the only requirement being the work submitted is illustration, digital art or video/multimedia pieces. This leaves the submission possibilities wide open to the discretion of the artist.

Please feel free to message us if you have questions about the call for entry. If you are not a member for 2022 and want to submit work, this is the perfect time to join! Become a member: <https://beckleyartcenter.com/membership>

Members: Free entry

Non-members: \$15 per entry
