

We are excited to announce our annual 2022 Members Exhibition, **Playlist!** We want our members to be inspired by their favorite songs. Music is such a powerful medium. All of us have a soundtrack to our lives. This exhibition will not only be music to our eyes, the works included will create a playlist of our members' all-time favorites and new tunes we currently have on repeat. While we encourage artists to create work about a song, work about a musician, album, genre or music in general will be considered. We are accepting submissions of two- and three-

dimensional artwork.

Please feel free to message us if you have questions about the call for entry. If you are not a member for 2022 and want to submit work, this is the perfect time to join!
