Breakaway

- For speed and efficiency, the electric eye neck rope/rope barrier system will be used
- Everyone gets a walking fresh one including the short round.
- Back gate will be left open
- Cattle will be chute run

- All Rough Stock events will be one and a short regardless of the number entered.
- A coin flip will break any tie in all events.
- An escaped animal in the performances will be replaced by the extra.

Thank you and your team members for the top-notch conduct at the Vernon College Rodeo the past few years. There have been very few disruptive incidents and the grounds have been left in appropriate condition. A couple of items of information to assist you and your team members.

1. No trailer parking will be allowed in the parking lot area west of the Event Center. No trailer parking means no trailer parking. This will be enforced to provide better access for spectators to attend the rodeo.

2. Stalls and RV hookups are available. Coach Jackson WILL NOT RESERVE STALLS OR HOOKUPS. There are NO stall reservations. Please do not call asking to reserve either. You may pay for stalls and hookups onsite. These will be a first come first serve basis—however STALLS AND HOOKUPS WILL NOT BE AVAILABLE TO PURCHASE UNTIL 1PM THURSDAY. Please do NOT tie your horses to a pen and tell us where “your” stalls are, you will be assigned stall numbers once you pay for them. Same goes with RV hookups.
3. Stalls are available. Event Center policy is that no horses are to be tied to trailers overnight. Stalls are \$60 per stall for the weekend (CASH\$). Stalls may be reserved and paid for in the Event Center office on the south end of the arena by the concession stand. Stalls are first come first serve basis.
4. Electric hook-ups are available for trailers for \$60 per hook-up for the weekend (CASH\$). Electric hook-ups may be paid for in the Event Center office.
5. In an effort to ensure the safety and security of contestants that stay in trailers at the arena and their livestock as well as ensuring that the parking lots and grounds are left in better condition, officers from the Vernon College police department will be on duty each night before the performances throughout the night until early morning. They will be patrolling the facility, parking lots, and grounds. Vernon College officers are fully licensed police officers and will be issuing Minor in Possession, Public Intoxication, Disorderly Conduct, investigating noise level complaints, and will have backup from the local PD if any arrests are necessary.

VET ON CALL: Dr. Conley (940)553-3791 Cell: (940) 838-8711

Vernon city ordinances require all pets to be on a leash in public places.
