

## Frank Phillips College Rodeo

Canadian, TX  
October 12-14 2023

August 10, 2023

### Ground Rules

1. There will be 12 timed event contestant entries in the performance.
2. In the barrel race, we will drag after every 6 actual runs.
3. The short round barrel race will drag after 5.
4. There will be no rough-stock slack. All rough-stock will be in the performance
5. There will be two sections of bull-riding & saddle bronc as needed in the performance
6. In the case of escaped timed event animal- animal will be replaced with the extra.
7. The score in the breakaway & calf-roping may vary
8. Reserve the right to run events out of order from slack to performance if need be for arena conditions.
9. All ties will be broken by the fast time/high score for average awards. If still tied then a coin toss will decide the winner.
10. There will be one & a short-round regardless of number of entries. Contestant must have a qualified ride to qualify for short-round.
11. We will use a neck-rope with a plastic breakaway for all timed-events.
12. No trailers parked within the chain-link fence (this will be strictly enforced)
13. No paneling out next to hook-ups (this will be strictly enforced and subject to fine)
14. No horses or panels tied to the chain link fence (this will be strictly enforced and subject to fine)

**The first row of hook-ups off of Complex Dr. is reserved for rodeo personnel and coaches**

Canadian, TX is graciously hosting a NIRA College Rodeo this year. Please help us in relaying our gratitude for their willingness in welcoming us to town, by being mindful of the waste we leave behind. Additional trash receptacles have been placed about the grounds to aid in this.
