— GARDEN DESIGN —

# Moorcroft Garden Design Design Packages

## 1. Standard Package – from €750

For clients who want a clear vision with visuals and a practical plan.

Site visit & client consultation

Measuring up & photos

Mood board & planting inspiration

3D concept visual

Scaled layout masterplan (annotated)

Planting plan with plant schedule (Latin & common names, sizes, quantities)

1 round of revisions

## 2. Premium Package – from €1250

For clients who want a fully detailed, build-ready design.

Everything in Standard Package

Enhanced 3D visuals / perspective renders

Full materials palette & sourcing suggestions (paving, edging, decking, fencing, feature elements)

Lighting plan suggestions

Detailed hardscape drawings for landscaper quoting

Maintenance guide for first 12 months

Up to 2 rounds of revisions

Many clients start with the Standard Package to develop ideas and explore possibilities. If you'd like to expand the design later, you can easily upgrade to the Premium Package for more detailed visuals, material choices, and construction drawings.

I can also source and plant your chosen plants as an added extra service, giving you the confidence that your garden will be installed exactly as designed.
