

2019/2020 Dance Class Pre-Registration

Pre-Registration allows families to register for the next year's (2019/2020) school year of dance classes without attending formal registration. It allows for feedback and communication, regarding possible scheduling conflicts, which might be a problem next year. When setting next year's schedule we take into consideration all communicated conflicts and set our class times in the best interests of everyone. If you pre-register for fall classes below, a class schedule will be mailed to you, along with the 2019/20 registration forms to update any personal information and any new fall information. Please provide a valid email and physical address below. Fall Classes will begin **August 19, 2019** with a prorated 1/2 tuition rate for the first month. Remember the first and last month's tuition is due when classes begin August 19, 2019. If you have any questions please let us know.
