

Good morning Holy Spirit...

We welcome you into our day.

We Thank you for divine, protection and healing, peace and victory.

We thank you Jesus that you sacrificed your body just for our today.

We plead the Blood over every area of our lives and the lives of our LOVED ones.

**We lay everything and everyone at the foot of the cross
and we leave them there for your will to be done in their lives,
and Lord as we do that, help us to trust you with the outcome.**

God thank you for who you are, and whose we are in you.

**Thank you that you are our Sovereign creator,
all powerful, all knowing, everpresent, unchangeable Father.**

Lord we dedicate this day, this hour, this moment to you.

**We give thanks to Father, Son, and Holy Spirit for what is already taking place and
for what's already done.**

We thank you, We praise you, We exalt you, We magnify you,

We concentrate our efforts, spirit, soul, and body to you, and you alone.

In Jesus Name, and the power of His blood.

AMEN!
