

WHAT IS WOLF?

Whitefield's Official Library Friends (WOLF) is a 501(c)(3) nonprofit organization dedicated to supporting the Whitefield Public Library and its mission, *which is to connect people with the resources they need to live their best lives*, so our community can learn, enjoy, and thrive. We believe the library is an essential community resource whose services should be available for free to everyone. However, achieving that reality takes dedicated effort and support.

YOU CAN HELP BY BECOMING A FRIEND.

What friends can do?

- Provide ongoing support for the library and its mission as an important community resource;
- Participate in special activities that expand and enrich the library's programs and services; and
- Help the Whitefield Public Library bridge the gap between the town appropriation and the cost of running the library.
