# A Letter from the Pastor:

## by Pastor Jay Anderson

As I write this article Labor Day Weekend is nearly upon us and I can't believe we're at this point in the calendar already! If it's September then it means 1) summer is nearly over and fall will be here in just a couple of weeks, 2) that the choir will be returning to worship soon, 3) I have to get my sport coats cleaned before "summer casual" comes to an end, and 4) we've been dealing with this pandemic for 18 months. Whew! I can do nothing about the weather, I'm happy to have the choir return, I don't mind wearing the sport coats so long as it's not too hot, but what can we say about the pandemic...

It has been some journey these past 18 months, that's for sure. From our early efforts to record worship to the transition to live-streaming and then the return to in-person and development of an outdoor service, it has been an adventure. Now as we turn the corner on summer (never mind that the temperatures have been in the 90s all week) and head toward fall, our church-mind begins to turn as well. M&Ms, our children's Music and the Master program on Thursday nights, will return after Labor Day under the leadership of our new Director of Children's Ministry, Cindy Hughes. We look forward to having the children and their families back with us. As I mentioned above, the Chancel Choir will be returning to worship on the Sunday after Labor Day so that will bring a wonderful element back into our worship time as well. Now that Otterbein students have returned, Campus Ministry is going full swing and the first sign of that is the return of our Monday Morning Coffee Ministry, which has already been well-received by new and returning students alike. And our new discipleship program, "We Make the Road by Walking," is kicking off in September with six classes available to help us grow in our faith. I am particularly grateful to all of those leaders who have stepped up to help teach and lead this initial group of classes that we're offering. Lots of folks are brave enough to step up and offer themselves for something brand new like this, so I am appreciative of the work I know they're already putting into these offerings.

Like any journey, we have to take the first step. For many of you, enrolling in a class or a Bible study is something you've always done - it's part and parcel of what it means to be a disciple. For others of you, though, this might be something new or different. Rest assured, these will be grace-filled experiences for all involved. This is a time to dig just a little deeper in your faith journey than what we can get from a 15-minute sermon or 60-minute worship service. The courses we've offered in this initial quarter will not require a lot of time or a huge amount of reading. In fact, the primary text for the class I'm leading, *Three Simple Rules*, is only 77 pages long and would fit in your back pocket - it's smaller than many cell phones these days. No, these will not be arduous treks, but to make the journey into a deeper faith and closer relationship with God, we have to take the first steps, and I hope and pray you will do just that.

Coinciding with our discipleship program is our worship series, also called "We Make the Road by Walking." We are exploring the journey of faith as it is laid out in scripture for us, beginning in Genesis but traveling through many of the most familiar stories in scripture from both testaments, and considering what those words from two thousand or more years ago mean for us today. There will be some new things that we try in worship in order to help make the messages from scripture more meaningful - we strive to create sensory-rich worship experiences whenever we can, experiences that involve and engage more than just seeing or hearing other people do things in worship. So you'll be invited to participate in some ways that might be a little different than what you've done in the past. We'll use some liturgy and prayers from our tradition as well as other traditions too, because while we make this road by walking, we don't walk it alone and we can learn from others of our brothers and sisters who have walked the road before, as well as from those who are walking it with us right now but who begin their travels from different places.

So it is my hope, as summer fades into fall, to see you in worship with us, either at 9am or at 11am, or in one of our new discipleship classes, or at M&Ms, or wherever God calls us to be together on this journey we call faith.

God bless you along the road!

Pastor Jay

## Campus Ministry News:

Otterbein started classes on August 23rd, and we were blessed to serve 44 students that day at our Monday Morning Coffee Ministry! The following Monday (8/30/21), we served 71 students. We are excited that our interactions with students continue to grow as well as our ongoing relationship with Otterbein.

We look forward to Otterbein's Homecoming Weekend (9/18-9/19)- There will be a parade on Saturday at 11am and all are welcome to watch from our front steps. We will be handing out bottled water and treats that morning for those enjoying the festivities. On Sunday, 9/19/21, the Campus Ministry Task Force will host a reception for Otterbein Alumni celebrating their 65th Reunion! Sonya Evans has been working with our Campus Ministry Task Force to plan this event in conjunction with Otterbein. We will serve Schneider's donuts, coffee, and fruit in the fellowship hall between services (9:30-10:45am). Any who would like to visit and reminisce with this lovely group are welcome to join them. We will send out a sign up for folks to RSVP so we have an estimated head count. We will also be introducing the Gabel Endowment Fund at this event. The Gabels lovingly set up an endowment fund for campus ministry. We will have flyers and information available regarding the fund, and how people can support it, at this celebration.

Emily Knoth and Pastor Lucy will be leading a study (via zoom) for young adults this fall. We were excited about the success of our last zoom study, which reached students from multiple campuses, and we want to continue learning alongside these young adults. We will be studying Paul, utilizing Marcus Borg and John Dominic Crossan's book, *The First Paul: Reclaiming the Radical Visionary Behind the Church's Conservative Icon*. The invitation to join this study has also been offered to our young adults from Church of the Master who are beginning back at their places of higher learning this fall, as well as a CoM Former-Youth Reunion via zoom.

This year is starting off with more activities than last fall would allow, and we are excited to continue to grow with one another and stay connected in whatever capacity we can.

## Welcome to our new Director of Children's Ministries!

### Meet Cindy Hughes

I'm excited and humbled to serve our church family as the next Director of Children's Ministries! Evan and I have loved being part of this congregation since we joined the Chancel Choir in 2004, and the strength of the children's programming is what led us to have both Benjamin and Joanna baptized here, and to ultimately become members and make this our church home. It is my prayer and goal to uphold the high quality of Christian education that is standard to Church of the Master, and to ensure that we remain a loving and welcoming place for families.

I am an '02 alumnus of Otterbein University – though it will always be “Otterbein College” in my heart – and began my career teaching choir and directing musicals in Mechanicsburg, Ohio. While my professional path has varied since then, I've always been involved with education/educational support or training. I love finding creative ways to involve and engage learners, and I'm eager to help our children continue in their understanding of the Bible, and find joy in serving as the hands and feet of Christ.

Many of you have already inquired about my ongoing participation with the Chancel Choir. I believe it is part of my life's purpose to share God's love through singing, and I intend to continue doing it as often as I'm able! For the 11:00 Traditional Service, I'll be sharing “Children's Moments,” and then release our Rainbows and Dewdrops into the capable care of our volunteer teachers, while I remain in worship with the choir most Sundays. I look forward to personally teaching Faith Development during M&Ms on Thursday evenings, and Sunday School Class when that returns. I am so thankful to all our teachers for allowing this flexibility, which will also provide a more diverse experience for our children. I ask for your prayers during this transition, and look forward to interacting with our church family in this new way!

### Rainbows and Dewdrops

Families are encouraged to worship together during the 9:00 a.m. outdoor service. We will have worship bags with activities to help your children stay engaged during the service.

Our Sunday morning children's church programs (Rainbows and Dewdrops) and nursery care are offered during the 11:00 service. Preschool and elementary children begin the 11:00 worship service with their families and will be invited to meet their teachers in the Gathering Space after the children's message to transition to their classrooms.

### M&Ms RETURNS!

Music and the Master begins Thursday, September 9th.

We are currently planning to meet in-person for M&Ms this fall – it will be so exciting to make music and learn together! Since children under 12 cannot yet be vaccinated, we will be holding all activities outside for as long as weather permits, with the “rain plan” being that we move indoors with masks and distancing. Dinner will also be an outdoor picnic option, which each family can choose to utilize or not, depending on your comfort and scheduling needs.

5:15-6:15pm: Picnic-style dinner will be available in the Front Hall by Grove St. – count on subs, pizza, or another easy grab-and-go option, offered at no charge for our first night back on 9/9! On your own timeline, parents can cycle through to fill plates, then picnic with your family on the side lawn. Bring a picnic blanket/chairs, or even bring your own food from home if you wish. Look for an email from Cindy a few days prior to RSVP for this option.

#### Children

- 5:45-6:15 pm:** Chimes
- 6:15-6:45 pm:** Cherub Choir (toddlers-K w/their grown-ups)  
Faith Development (1st -5th graders)
- 6:45-7:15 pm:** Godly Play (3-year-olds-K)  
Junior Choir (1st -5th grade)

#### Youth (same as current schedule)

- 5:30-6:00 pm:** Youth Formation
- 6:00-6:30 pm:** Dinner
- 6:30-7:00 pm:** Youth Group

Thank you for your flexibility in trying this new schedule as we work to begin our year safely - we will continue to monitor COVID numbers, and make changes to this plan as needed!

## Chime Choir Begins September 9th

Session 1 of the Children's Chime Choir will meet at 5:45pm on Thursday evenings from September 9 through October 7. The chime choir will ring during the 11:00 service on Sunday, October 10. All children in grades 1st through 5th are invited to ring. No prior musical experience is necessary, but families are asked to commit to their children's regular attendance throughout this 5-week session. During each session, we will learn about notes and rhythms while using our music to honor God. Please let Marilyn Rogers know if your child is planning to ring during Session 1. If you have any questions, contact Marilyn at [rogersmblg@gmail.com](mailto:rogersmblg@gmail.com) or 614-432-9996.

## Children's Ministry Service Opportunities

Please let Cindy Hughes ([children@chmaster.org](mailto:children@chmaster.org)) know if you or your child would like to serve our church in one of these important ways!

### For 2nd -5th Graders and Up: Acolytes Needed

Jesus said "I am the light of the world," and lighting candles in Worship is a symbol of Jesus' presence in our world and in our sanctuary! We critically need acolytes to fulfill this special role during the 11:00 service—three each Sunday for the remainder of our "We Make the Road by Walking" sermon series. While this has typically been a task for our 2nd-5th graders, we also welcome Youth and Adults to participate in carrying Christ's Light! Email Cindy for the link to SignUp Genius.

### For Youth: Rainbows/Dewdrops helpers needed

A great way to complete volunteer hours needed for service clubs and college applications, ages 10+ can assist with Dewdrops, and ages 15+ can assist with Rainbows during the 11:00 service.

### For Adults: Teachers needed

We need one more person willing to teach our Dewdrops during the 11:00 service, one Sunday each month. We would also welcome more names to draw from for our sub list if you would prefer to offer a "once in a while" commitment.

## M&M Families! We need your pictures!

Think back to the M&M Banquet in April of 2020. Were you there?? If you were, you will remember that I took photos of all of the children, not by grade level but by family. The children came up family by family and sat on the steps in the sanctuary, and I got some really cute pics. 😊 If you don't remember doing that, I need you to do me a favor. Please take a picture of your M&M kids, preferably wearing a red M&M t-shirt, (or any M&M shirt!) and email it to me at [childrenmusic@chmaster.org](mailto:childrenmusic@chmaster.org). I want to make a composite commemorating the strangest M&M year we've ever had, and I want every single child to be part of it. Please take that shot right now! Before it gets away from you!! Deadline for submitting a photo is September 15.

*God loves you and I love you, Miss Kitty*

## Youth Bells starting in September

Come and be part of the Worship experience through music with Handbells. The first session of Youth Bells will be starting up on Thursday Sept 9 at 5:30; we will meet in the south balcony. Whether you are returning from playing before, moving up from chimes or have never rung chimes or bells, all are welcome. We will do a 6-week session and play at the 11am worship service on October 17. Contact Kim Hoessly at 614-537-8596 or [handbells@chmaster.org](mailto:handbells@chmaster.org) to let her know you are coming. More sessions to follow in the fall as your schedules change so if you are interested in ringing after Marching Band or fall sports are over, feel free to contact Kim with that information as well.

# Music Ministry

## By Christopher Bowling

As fall quickly approaches so does the return of Music Ministry rehearsals. Beginning September 8, the Exultation Ringers will be rehearsing on Wednesdays at 6:00 PM in the “bell” balcony, and the Chancel Choir will be rehearsing in the sanctuary at 7:00 PM. If you are interested in ringing or singing you can reach out to me ([music@chmaster.org](mailto:music@chmaster.org)) or Kim ([handbells@chmaster.org](mailto:handbells@chmaster.org)) we would love to have you.

### Meet S.A.L.

Church of the Master has embarked on the creation of a sensory accommodation library! S.A.L for short. The S.A.L has become part of the welcome center, located on the left side of the Gathering Space. There are several small bins on each shelf. Each bin is filled with different accommodations for folks to use during service.

The goal of the S.A.L is to make our worship experience a more inclusive place for everyone who attends. For some folks, church service can be overstimulating- too loud, too much to focus on, too overwhelming. For others, church service can be under-stimulating—our eyes wander, we find ourselves wishing we had something to fidget with, or maybe doodle on. So the S.A.L will help solve these issues.

The S.A.L is open for anyone to use, whether you're 1 or 100. Whether service is too loud or whether you need some extra sensory input to get through it. You just walk over, grab what you need before the service, and drop it into the “used” bin when service is over. By the time the next Sunday rolls around, everything will be sanitized and ready to use again.

If you have any questions or concerns, you can contact Ainsley or Sophie Patterson.

# Congregation Updates

## Great Volunteer Opportunity!

The Mission and Outreach Committee is organizing an opportunity for congregation members to participate this fall in the Westerville School District's I-CAN Program. The I-CAN program is taught on a weekly basis throughout the school year to second grade classes and all learning materials are provided to the volunteer. This will probably be an hour a week. If you have an interest, please get in touch with Diane Hill-Clark at [dianna.hclark2@gmail.com](mailto:dianna.hclark2@gmail.com) or Tiffany McGinnis at [tift\\_23@hotmail.com](mailto:tift_23@hotmail.com). Tiffany will be able to answer any questions you may

## *Notes of Thanks*

Dear COM family,

For the prayers, the visits to the ICU and rehab, the lending of various durable medical equipment, our mantle full of cards (several with personal notes) and the pre and post surgery visits of Pastors Jay and Lucy, Barbara & I simply have no words to express our gratitude. I am now home (arrived Friday the 13th) and am working to become “young” again.

- **Chuck Share**

Heartfelt thanks to the people of Church of the Master for the many acts of love I have experienced in the weeks since I fractured my wrist. Those people who drove me to various appointments before I could, once again, drive myself, were lifesavers! Each one of the visits, meals, cards, calls and texts I received were more than appreciated; they were reminders to me to be so thankful that I am a member of the household of God. Every one of you who came up to me on Sunday mornings just to say that you were thinking of me and wishing me a speedy recovery meant so much. It's actually a good lesson to me to be more aware and make more of an effort to do that for others. Most of all, however, those who prayed with me and for me during this time. I can't thank you all enough. God Bless You.

- **Judie Salyer**

## **Card Crafting and Card Ministry**

The Card Crafting and Card Ministry groups have been busy throughout the pandemic keeping in touch with our home bound and oldest members with beautiful handmade cards. Over 60 cards have been produced each month and sent out by these dedicated groups as well as an additional 60 special cards for Valentines, Easter, Mid-Summer and Christmas. We have heard from card recipients and families of recipients that these cards are welcome and appreciated.

Beginning in September, the Card crafting group will have cards for sale in a card rack outside the Chapel. We hope this is a convenient source for our Church family to purchase very nice religious based cards to send to friends and loved ones. There will be Birthday, Sympathy, Thinking of You, New Baby and Holiday cards in the rack. The sell price is \$1.25 each or 5 cards for \$5. There will be envelopes marked for your donation in the rack and these envelopes can be placed in the offering plate or in the Finance mail box in the office. Proceeds from sales are used to defray some of the cost of purchasing the supplies used to make cards.

### **Called to Love!**

A new study group, “Called to Love,” has formed within our church as a branch of the Reconciling Ministries Network. “Called to Love” seeks to educate ourselves about the experiences of LGBTQ+ persons, and explore our own implicit biases and behaviors to find ways we can grow as individuals and as a church community. Please join us Friday, October 1st at 7pm, in the sanctuary, as we continue our educational and grace-filled discussion!

If you have questions, contact Cindy Hughes [hughes\\_cindy@yahoo.com](mailto:hughes_cindy@yahoo.com).
