This month as I sit to write this article I can't help but be reminded of where we were a year ago. For one thing, the coronavirus hadn't raised its ugly head and life seemed "normal," at least in part. Lynn and I had just returned from a wonderful vacation in Sedona, Arizona and were getting back into the swing of things when our son-in-law took his life on October 9th. I was scheduled to have lunch with John Comerford, the President of Otterbein that day and as things developed with our son-in-law I had to cancel. The rest of the day was a mix of shock, horror and tears as our family gathered to begin a grieving process that honestly, continues to today. Next week will mark the first anniversary of that horrific day and we are no closer to understanding the "why" of it than we were then.

I don't bring this up to wallow in grief or to elicit on-going sympathy, I bring it up to remind me of how much I have to be thankful for. We're thankful that our daughter and grandson were not physically harmed or worse in the whole sordid event. We're thankful, oh so very thankful, for all the love and support that all of you offered to us in that most difficult time. It has probably never been more important or impactful for us to have a church home and a church family than it was in those days and in the months and now year

# RETURN TO CHURCH GUIDELINES

## WELLNESS

Anyone who is sick, coughing, has a sore throat, or a fever is

asked to remain home. We're committed to continuing to provide worship online, so anyone who needs to remain at home whether due to illness, being in a vulnerable group, or other reasons can still join us in worship.

As we enter the building, we will use no-touch thermometers to take everyone's temperatures. Anyone with a temperature of 100.4 or higher will need to return home where you can worship with us online.

Everyone over the age of 3 will be required to wear a mask. If you forgot your mask, we'll provide one to you. If you're unable to wear a mask, we ask that you continue to worship with us from home until masks are no longer needed.

Everyone who enters the building must sanitize their hands with provided hand sanitizer, unless a health condition prevents it.

At this time, coffee service will not be available. Please feel free to bring your own drinks, we just ask that your containers have lids to minimize spills and that you dispose of any empty cups or bottles on your way out of the sanctuary or take them home for disposal.

Please limit use of the restrooms to emergencies only and limit occupancy to one person (and a parent or aide) at a time if at all possible. A changing table will be available in the Nursery room.

## ACCESS TO THE SANCTUARY

When we return, please use the eastern most doors on Main Street closest to the parking lot. For those who

cannot negotiate the stairs the handicapped entrance on the south side of the building will be available. If you come in from the south side entrance, sit on that side of the sanctuary. Entrance into the sanctuary will be through the center doors only. We would ask that if a member of your family needs to use the handicapped entrance that all members of the family use this entrance so as to stay together. This will minimize congestion in the Gathering Space and allow for the ushers to more easily seat your family together.

## RESERVATIONS

We will have a limited number of seats available, so for a time, we will use a reservation system. Making a reservation in advance will ensure that we have a seat for you in worship. More information about how to make reservations is coming soon.

## WORSHIP TIMES

We will return to a live worship service October 25th at 10:00 a.m. Doors will open for seating at 9:40 a.m. It is our hope sometime in the future to have two services.

## WORSHIP

Our services will be designed to be as touchless as possible by holding doors open, eliminating paper bulletins and hymnals, individually packaged communion elements, and using offering collection boxes after worship instead of passing the plate. So that we can continue to connect to the Holy Spirit through music and liturgy, there will be limited singing and responses done at a quiet level or you can express your love of God by humming, clapping, dancing, raising our hands, etc. instead of singing.

## CHILDREN

Children's Sunday School, Rainbows, Dewdrops and nursery care is not currently available. Children are encouraged and welcome to worship with their families. Parents-- know your little ones are loved by their church family! We are excited to hear their voices and rustlings while we worship together. We know there will be challenges for you as we navigate this season together and we are committed to showing grace in all circumstances. Children's Ministry programming will continue through our weekly M&Ms (Music and the Master) program. To be added to the M&Ms e-mail list, contact Erin Flory ([children@chmaster.org](mailto:children@chmaster.org)).

## THANK YOU!

We thank you all for working with us to take care of each other. You may not be in a vulnerable group or concerned about catching the virus, but these measures will help us to protect those who are. These guidelines will only work if we all do our part to keep each other safe.

Thank you for putting the safety of our Church of the Master family members first! These guidelines serve as a roadmap for reopening the building based on currently available information. Nothing in these guidelines are to be considered absolute as the current COVID-19 situation is fluid and evolving. A potential detour is the return to a second closure if the Franklin County COVID-19 situation would worsen.

## SAFE DISTANCING

Individuals or families should maintain safe distancing in the sanctuary and Gathering Space. Please wait to be seated by the ushers, who will place those who are living in the same household in seats together, and maintain 6 feet of distance between those who are not living together.

Please allow our ushers to seat you, move chairs or rearrange seating.

We are all looking forward to seeing each other again and will naturally want to give each other hugs or handshakes; but during this season we will greet each other with smiles and waves that maintain 6 feet of safe distancing.

When leaving worship please wait to be directed by the ushers and use the specific exits they guide us to, so we can avoid creating bottlenecks and maintain safe distancing.

# RSVP

Seating for the return to live worship on October 25th is limited. Please make an online reservation by Friday, October 23rd via the link below. If you are unable to make an online reservation, please call the church office to reserve seats: (614)-882-2153.

# Report on the 2020 West Ohio Annual Conference

Harry G Peat, Lay Member to West Ohio Conference

Greetings to fellow members and friends of Church of the Master. For the past five years, I have had the honor and privilege to serve as your representative as a Member of the West Ohio Annual Conference. As a quick refresher we are part of the Capital Area North District (one of eight Districts in West Ohio). Each clergy and an equal number of lay members usually meet at Lakeside, Ohio, up near Marblehead, the first week in June. We gather to worship, receive reports, pass a budget, vote on a slate of officers, etc. We celebrate clergy retirements and witness the Bishop ordain new clergy members. Usually, the last agenda item is hearing the Bishop "Fix" appointments as he announces who is moving and to where. We greet former Pastors and catch up with friends that we may not have seen since last year and enjoy Lakeside and Lake Eire. Then came March of 2020 and COVID-19! As we began to live into the reality of Social Distancing and Zoom, the West Ohio Conference staff scrambled to plan for a meaningful Annual Conference with about 2000 attendees via computers! What does virtual conference mean? We will certainly need training. How will we vote? What if some members don't have internet? What about the conference offering? How can we learn about the legislation that we have to vote on? What if we have questions about the legislation?

So, I began to receive emails about training sessions for on line procedures, information sessions about the upcoming legislation issues, I even received a specific voting number! I attended, via Zoom Webinar, a training session on what to expect Annual Conference to look like, how to vote, how to ask a question (1. Type your request into the Q & A Box: ask a question, make a motion, etc. Wait for the Bishop to recognize you, press the Raised Hand icon so the techs can find you, unmute your mic [the tech can't do it for privacy issues] then you can speak). We then practiced voting via our cell phones.

The Virtual Annual Conference began on Saturday, September 12 at 9:00 AM with Bishop Palmer broadcasting from the sanctuary of Church of the Messiah and Ann & I setting at our kitchen table! He, the broadcast crew, some of the conference staff and several musicians, were masked except when they were presenting or performing. Reports were given remotely by the various committee chairs, votes were taken and the necessary business was conducted. Oh, and the appointments were fixed. Pastor Jay was reaffirmed as our Pastor for 2020-2021! The Bishop preached twice and adjourned us at 1:30 PM.

Just as a side note, we accomplished all of the necessary business in 4 ½ hours instead of 3 ½ days! This will undoubtedly come up in several budget meetings before next June! To say that this year's Annual Conference was slightly different is an under statement!

Also of note was that because the scheduled General Conference (scheduled every four years with world wide representatives) didn't meet because of COVID-19 and was rescheduled for September of 2021, controversial type legislation from West Ohio Annual Conference to the General Conference was absent from this year's agenda.

Using Zoom Webinar does seem to limit heated debate, lobbying and picketing over issues but I did miss the fellowship. Once again, thank you for the privilege and honor of representing you.

*“When I was a boy and I would see scary things in the news, my mother would say to me, “Look for the helpers. You will always find people who are helping.” — Fred Rogers*

Since the beginning of this pandemic we have all found ourselves pushed and stretched in new and sometimes uncomfortable ways. Things have especially changed for us in our roles as caregivers as we parent, care for family members and friends and in our caregiver work life. We became busier and more stressed as schools and community programs closed and as the world around us shut down. Now, as programs and schools are starting to open back up it is important to acknowledge how hard you've worked caring for loved ones and community members over the past 6 months. And now, as things continue to shift and change it is important to remember to also care for yourself as a caregiver. After all, Proverbs tells us that “a cheerful heart is good medicine” and that “a heart at peace gives life to the body”, both God’s way of telling us to care for ourselves so that we can care for others.

To get you started, below is a list of ideas of how to care for YOU- a caregiver, helper and unsung hero in the pandemic.

**Be Compassionate... to yourself!** -Caregiving is hard and there is no such thing as a perfect caregiver. Be as compassionate and kind to yourself as you are to others. Remember that God does not call us to be perfect but rather to “love your neighbor as yourself.” (Mark 12:31) So remember to give yourself some grace too!

**Exercise** – Even a quick five-minute walk outside in the morning, during your lunch break or after dinner can help clear your head and help ease some stress. Exercise has been proven to have a positive impact on mood and cognition! “Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies.” (1 Corinthians 6:19-20)

**Eat a healthy diet-** While it is easy to turn to comfort food in times of stress, remember to include healthy foods in your diet. Eating a healthy balanced diet can have a positive impact on mood, sleep and your physical health! “So whether you eat or drink or whatever you do, do it all for the glory of God.” (1 Corinthians 10:31)

**Sleep-** Especially as a caregiver for young children/infants, getting good quality sleep can be hard. Try to prioritize sleep as much as you are able. If you are having a hard time falling asleep, try taking deep belly breaths and listing the things you are grateful for. “Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid.” (John 14:27)

**Connect!**- Take time to spend with or talk with loved ones and friends. This pandemic has isolated many of us, so take the time to reach out to a loved one or friend. Even if it isn’t a long interaction it can help brighten up both of your days! “Carry each other's burdens, and in this way, you will fulfill the law of Christ.” (Galatians 6:2)

**Create!** – Studies have shown that being creative can help increase resiliency skills. One thought behind this is that creative processes can help us view problems or situations in different light. Different creative outlets include music, crafting, journaling, hobbies, science experiments with kids and more! “For the gifts and the calling of God are irrevocable.” (Romans 11:29)

**Ask for help** – This is a hard one for a lot of us, but if you find yourself struggling or overwhelmed, reach out to friends, family members or community organizations like Church of the Master. “You did not choose me, but I chose you and appointed you that you should go and bear fruit and that your fruit should abide, so that whatever you ask the Father in my name, he may give it to you.” (John 15:16)

If you would like additional information on more support options specific to your current needs, please reach out to the church office.

*“God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them.” (Hebrew 6:10)*

## Chamber Ensemble

By Christopher Bowling

Friends, we are working on new musical opportunities as we learn together how to do music, safely, during this pandemic. A few weeks ago, we had a chamber ensemble, from our congregation, offer special music for worship. There are plans for this group to meet and prepare more instrumental music for future services, and we would like to invite you to be a part of it. I would like to invite you to join the chamber ensemble on Wednesday, October 21 at 7:00 PM to rehearse and prepare to play in worship.

To maintain safe distance, we will need anyone planning to join us to RSVP by emailing me at [music@chmaster.org](mailto:music@chmaster.org), by October 10th so that I can send music and plan rehearsal set up. The music in our library is scored for all major band/orchestra instruments including strings (violin, viola, cello, bass) and keyboard. Musicians of differing levels are welcome, and will be placed with musicians of similar ability.

Again, please email me at [music@chmaster.org](mailto:music@chmaster.org) with your instrument and how long you've been playing. We look forward to this new ministry in our congregation.

## Reminder for Christmas Under the Tree

By Barb Hinton

Dear Church Family,

As everything around us seems to change and be different, there are still ways to spread God's love. Because of the virus, we can't ask people to shop for our friends at the Columbus Development Center this year. So, we are taking a different approach. This year we are asking for monetary donations.

They can be sent to the church. Please write the checks to: Church of the Master and put Christmas Under the Tree in the memo line. Lisa Harris and her staff will do the buying, mostly online.

Our financial secretary, Bill Ruff, will put all the contributions in a separate account and send the lump sum to CDC. The deadline for donations is October 15, 2020. If you cannot send a donation by then, please send your donation directly to:

CDC I@E Fund  
Attention Lisa Harris  
1601 W. Broad St.  
Columbus, OH 43222

We have cared for our friends at CDC for over thirty years. Thank you for all your help to bring Christmas to them once again. Questions? Contact Barb Hinton, 614-891-7814.

# Mission and Outreach Committee

Because of the COVID-19 virus, the Missions and Outreach committee made the decision to have a drive thru donation for Heifer on Sat. Oct. 24, 2020 from 10:00 to 12:00. Cards will be available for you if you want them to send to the people you are honoring.

Please make your checks out to Church of the Master and put Heifer International on the memo line. If you can't make the drive thru event you can also send checks to the church as well. Our goal is to receive \$5,000 in donations so our church can receive an ark. We have received this honor for the last 10 years.

We have had a Heifer table for over 25 years. One of our members shared that her father was on the ship that delivered the first animals to needy families. Heifer's motto is Together We Can Change the World. Since it began 75 years ago, Heifer has helped more that 35 million families around the world lift themselves out of hunger and poverty. Heifer works in 125 countries to attain sustainable livelihoods through community owned inventions, including the United States.

Below is a list of special gifts if you want your donation to go to a specific cause. Thank you so much. If you have any questions, you may contact Janice Eddey.

# Children's Ministry News

by Erin Flory

Erin Flory – Director of Children's Ministries

email: [children@chmaster.org](mailto:children@chmaster.org)

Cell: 614-436-0549

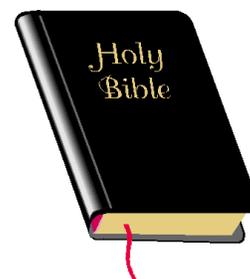

## Outdoor M&Ms – Thursday, October 8th

I hope you will be able to join us for our next Outdoor M&Ms (Parking Lot style!) on **Thursday, October 8th**. We will have two sessions (5:15-5:45 p.m. and 6:00-6:30 p.m.) to allow for necessary social distancing. Come enjoy music, puppets and fellowship! Wear your M&Ms t-shirt and your mask and make sure you bring a lawn chair! Please sign up for a time that works best for your family using the link below.

<https://www.signupgenius.com/go/8050f4aada72aabff2-outdoor>

## Calling all 3<sup>rd</sup> graders!

Our 3<sup>rd</sup> graders will receive their Bibles during our Outdoor M&Ms on October 8<sup>th</sup>. If you have a 3<sup>rd</sup> grader and have not been in touch with Miss Erin about 3<sup>rd</sup> grade Bibles, please email Erin Flory at [children@chmaster.org](mailto:children@chmaster.org) so we make sure to include your child.

## Virtual M&Ms

Look for a link to our Virtual M&Ms lessons in your email each week. We will enjoy music with Miss Kitty and a lesson each week. We are learning how people in the Bible conquered doubt, worry, and uncertainty with God's power. Together we will discover how we, too, can use God's power to find courage no matter what we're facing. Our topics for October include:

A Widow Shares Her Last Bread (1 Kings 17:8-16)

Bible Point: God's Power Never Runs Out

Jesus Talk About Worry (Matthew 6:19-34)

Bible Point: God's Power Calms Worries

Faith of a Gentile Woman (Matthew 15:21-28)

Bible Point: God's Power Come Through

Jesus Doesn't Want to Die on the Cross.... But Does (Matthew 26:36-46; 27:27-56; 28:1-10)

Bible Point: God's Power Wins in the End

## October Virtual Meet -Ups

Join us for virtually for fun and fellowship! We will enjoy music with Miss Kitty, games and stories. We will have Virtual Meet-Ups on October 1, 15 and 22. "See" you then!

6:30 p.m. Preschool and Kindergartners

7:00 p.m. 1<sup>st</sup>-5<sup>th</sup> graders

## Carving Out Time With Jesus

Each family will receive a bag of activities to help "Carve Out Time with Jesus" at our Outdoor M&Ms on October 8<sup>th</sup>. This includes weekly devotions and activities that focus on reading our Bibles, prayer, worship music and church. Plus, there are a few things just for fun! Fall is a great time to start the habit of spending time together in God's Word as a family. Once you create this habit, your children will want to do it every day and will remind you if you miss a day! These habits will hopefully form in your children a love of God's Word that will stay with them throughout their lives. You are building a foundation of God and His love into your children by spending time together in His Word. If your family will not be able to be there on October 8<sup>th</sup>, please let Miss Erin know so we can make alternate arrangements to get your "Carving Out Time with Jesus" bag to your family.

### **Have you joined the Church of the Master Children's Ministry Facebook group?**

This is a private group for parents of kids involved in our children's ministry programs. You can find links to lessons, virtual meet ups and new about upcoming events all in one easy place! Search for "Church of the Master Children's Ministry." You will be asked a few questions related to our Safe Sanctuary policies before joining.

## Church Reopening Children's Ministry Updates

We will not have nursery care, Rainbows or Dewdrops (our children's church programs) during our first phase of the church reopening for in-person worship. Children are welcome and encouraged to worship with their families. We will continue to have a children's message each week. The children will stay in the pews with their families rather than come up to the steps. We understand that there will be a little bit more wiggling and noise in a service that includes all ages. Know that is okay! You are welcome to bring books, coloring, small toys, etc. if it makes it easier for your family to worship together.

# Youth Ministry News

## Youth Ministry (Grades 6-12)

by Bev Pancoast

The Church of the Master Youth Ministry program is open to all youth in grades 6-12. Our Youth will meet via Zoom (unless noted elsewhere) in 2 groups—Junior High (Grades 6-8) and High School Grades (9-12). Groups will start in the Zoom meet together and then break into the 2 groups for age level ministry time. The Zoom link will be sent out weekly via email and text. If you have youth aged students and do not receive youth ministry emails, please contact Bev at [youth@chmaster.org](mailto:youth@chmaster.org) or 330-416-4656.

### Sunday Evenings @7:00 p.m.

**10/4:** We will be finishing up our “Squad Up” Series on Zoom.

**10/11:** Youth Bonfire (socially distanced with masks) @The Kelly’s House (address will be sent out via youth email leading up to the event.. In case of bad weather we will move it to 10/18 and have the scheduled youth program from the 18th on the 11th.

**10/18:** Join us for a time of fun and games as we play some favorite and some new ones too! This meeting will be via Zoom.

### 10/25: Pumpkin Carving

In Person Youth Group at Church

Wear your masks and join us for a time of Faith, Fellowship, & Fun. We will meet in the Church Parking Lot and carve pumpkins. (It is helpful if you gut your pumpkins before this event) In case of bad weather we will meet inside.

### Youth T-shirts

If you haven't picked up your t-shirt yet, they will be delivered to you during the early part of October. They will also be available as worship resumes in October if you haven't received one yet.

# Roofing & Gutters Project

by April Smith

The roofing and gutter project is almost complete! Work has progressed as expected with only a few minor weather setbacks. This has been a rather complex job in that there was reconstruction of the box gutters followed by relining with the same rubber membrane that is applied to the flat roof on the building. This all involved the crew working from atop a mechanical lift.

The replacement of the shingles could not be started until the majority of the box gutter reconstruction was complete. There are four sections of roof that are shingled and this process included tearing off the two layers of old shingles as well as the underlay materials. We did find a hole in one section that required new lumber. Equipment used for this repair was a crane to lift the new packages of shingles to the roof and load up the old materials. A dump truck was on site to collect the debris.

The crew usually started by 7:00am and worked until 4:00pm or later. Keep in mind we were not their only customers so they were running between other job sites at times. If there is a blessing to come out of this time of pandemic, it is that we were able to have this important work done with very little inconvenience to the congregation and community. For that we are most thankful!

The AmazonSmile Foundation recently surpassed **\$200 million** in donations to charities worldwide! Our thanks go out to you, **Church of the Master United Methodist** supporters, and every supporter who shops at [smile.amazon.com](https://smile.amazon.com).

This is a great moment to remind your supporters to continue generating donations for **Church of the Master United Methodist** by shopping at [smile.amazon.com/ch/31-4384859](https://smile.amazon.com/ch/31-4384859).

*AmazonSmile has donated over \$200 million to charities worldwide! You can help increase AmazonSmile donations to **Church of the Master United Methodist** by shopping at [smile.amazon.com/ch/31-4384859](https://smile.amazon.com/ch/31-4384859) or with AmazonSmile ON in the Amazon Shopping app.*
