Dear Friends,

Our fifth month of the year, May, was filled with ceremonies, memorial services, road dedications, and other celebrations, all to recognize our law enforcement community throughout our state and our nation and honor the fallen killed in the line of duty. Carolina C.O.P.S. appreciates the support our South Carolina Governor who signed a Proclamation honoring those serving, those injured on the job, and, of course, those officers killed in the line of duty.

Before I begin my comments below, I would first like to extend our deepest sympathy and condolences to the family of Master Police Officer Jason Harris and to the Spartanburg Police Department. Officer Harris, who died on April 13, 2017, as a result of injuries received while on the job, was an eleven year veteran of the department, and also served on the department's SWAT Team, and the K-9 Tracking Team, along with a number of additional assignments.

We also will remember the family of Montana's Broadwater County Sheriff's Deputy Mason Moore, End of Watch May 16, 2017, in the days ahead. Deputy Moore, born and raised in South Carolina, was brought home and laid to rest in his South Carolina hometown. Montana C.O.P.S. and Carolina C.O.P.S. will continue their support for this officer's family.

Each Carolina C.O.P.S. survivor understands and feels the pain of these recent losses. Please lift these families and their department in your prayers for the difficult days ahead.

The 2017 National Police Week is behind us now, and we were so honored to support the family of Greenville Police Department Officer III Allen L. Jacobs and the Greenville Police Department. Police officers from around the United States and a number of countries converge upon Washington, D. C. for the many events honoring the 2016 fallen officers.

By the publication of this newsletter, Carolina C.O.P.S. will have hosted its 2017 Summer Outing, this year held at EdVenture Children's Museum and the South Carolina State Museum. Needless to say, the air conditioning of the two venues was much appreciated by the attendees! I am pleased that those who registered for this event did so via email responses! This made the task of registering our survivors so much easier!

This is just another reason why we need everyone's email address! If you haven't forwarded to me your email address, **do so at your earliest convenience!** We will prepare for our Annual Christmas Luncheon using email registrations. So make certain that you send me your email addresses, or make certain that I have your current email address.

We continue to hold our newest survivors in our hearts. Please remember these survivors and their departments as they embark on their grief journey!

I wish you all a safe and peaceful summer!

Hugs,

Lois
