I do hereby waive any and all claims for damage against Flying D Gun Club (FDGC), its members, officers or owners of any area where FDGC activities may take place, arising from my participation in any FDGC activity. I further agree to abide by all safety regulations of FDGC and I understand that failure to comply with said regulations would result in my suspension from FDGC, or removal from the activity. I further certify that I am over 18 years of age or have the permission to participate and am accompanied by a legal guardian or parent during my participation in FDGC activities, that I have never been convicted of a crime of violence, nor am I currently under indictment for a felony. I further state that the skills learned through FDGC will be used for sport or legitimate self-defense. I understand that I will not be allowed to participate in FDGC activities unless FDGC has this Waiver of Damages completed by me or my legal guardian or parent in its possession prior to my registering to participate in said activities.

**FLYING D GUN CLUB MEMBERSHIP AGREEMENT**

- I, the undersigned agree to follow the safety and membership rules listed below:
- Upon entering and leaving the club, I will always use my gate card. This rule does not apply during regular business hours or during special functions.
- I understand that I am allowed to bring a guest and introduce that guest to the club facilities. I will be in direct supervision of their actions at all times. Public shooting fees will apply to guest use of the facilities. Abuse of the guest privileges will result in revoking or restricting my guest privileges.
- Members of my immediate family, spouse and siblings under 18 years of age, are welcome any time while in my presence and under my direct supervision.
- **I understand that sharing a membership or gate access (lending my gate card to anyone including family member) is cause for *automatic termination of membership*.** Lost card fee is \$5.00.
- ***I understand that EAR AND EYE protection is required on all ranges.***

**PISTOL/RIFLE RANGE RULES**

- I agree to follow all safety rules listed at the rifle range.
- I understand there will be no handling of firearms in any manner, and all shooters will remain behind the red line when anyone is down range, or while a cease fire has been declared. All actions will be open, magazines out, chambers cleared and guns will be flat on the bench, in the rack or boxed. Violation of this rule can result in termination of membership without refund on the first offense.
- I understand members who do not obey the red line rule are not welcome in our club and their membership will be terminated.
- I will insist that everyone else on the rifle range follow the red line rule. If they refuse, I shall report them to the club's leadership.
- I will shoot only at paper targets. I realize that tin cans, bottles, clay targets and other objects are not proper targets and become trash left on the range.
- I agree to do my best to insure that all bullets stay on the rifle range by placing all targets high enough on the target frames so that my bullets will hit the dirt berm behind the target. I understand that bullets hitting the ground before the berm can ricochet off the range and could harm someone.
- I will never load my gun until I am ready to shoot and keep my finger off the trigger until I am on target.
- I understand that the ranges are open only when a Range Safety Officer is present and that the RSO has complete authority over the ranges.

**SHOTGUN RANGE**

- I agree to follow the shotgun safety rules displayed inside and outside the clubhouse.
- I agree to have my shotgun action open except when actually shooting or when placing a break action shotgun in gun rack.
- I will never close my gun until ready to shoot and will keep my finger off the trigger until I am ready to shoot.
- I agree that my shotgun will be empty of ammo and the action open when changing stations or when someone goes to the trap house.
- I will never load more than one shell at a time except when shooting doubles or continental.
- I will not shoulder my firearm or let someone else shoulder it unless on the shot gun range.
