

Beyond THE Storm

DISASTER RELIEF MINISTRY

DON'T WORRY... PRAY

May 8-9, 2026

What we initially created in the Spring of 2025 as an opportunity for the BTS Family to "Devote Ourselves to Prayer" has become something of a "Prayer Movement" with so many of us eager to do it over and over again, To that end we have concluded that making it a Semi-Annual Event is best and we are now approaching our first scheduled 24hrs of Prayer for 2026.

We are not only asking you to join the BTS Ministry as we spend 24 hours in Prayer. It is our committed desire to make it simple and easy for you to do. We will offer you specific things to pray for regarding the broken things of our world, our nation, our churches, our families AND give you time to get intimate and personal with God regarding your own needs. This is such a great opportunity, most everyone who has participated have affirmed the meaningful joy it brings. (Well truthfully, those who haven't enjoyed it have not let us know their discomfort - so they are not included in this affirmation.) The question is...

WILL YOU JOIN US?

May 8-9, 2026

Beginning 9:00pm Friday

Ending 9:00pm Saturday

Pick an hour and we will walk you through EVERY minute of the hour. It's the easiest prayer time you will ever have.
