1 Peter 4:10

"Each of you should use whatever gifts you have received to serve each other, as faithful stewards of God's grace in its various forms."

Serving with BTS, together in God's family, our lives take on eternal importance. God wants to use us to make a difference in this world and glorify His Holy Name. What matters most to me is donation of my life. BTS gives me the opportunity and avenue to do this.

Every person we serve in this ministry has a story to tell. My most memorable story is of a homeowner who served in Vietnam. His experiences with the military, our government and its treatment of its veterans and traumatic memories of the Vietnamese people have contributed to his bitterness and anger. I felt a little threatened when he invited only me into his home (as I am from Vietnam), but I also felt God had drawn us together. He shared years of resentments and in the end, allowed me to pray with him. We both share terrible memories, but as always, our Lord made "good" of it.

James 5:15

"And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven."

Psalms 19:14

"May these words of my mouth and this meditation of my heart be pleasing in your sight, Lord, my Rock and my Redeemer."
