

Want To Go To...

We've Been Asked To Plan A Fun
BTS Trip To Branson, MO so we
are considering the possibilities.

Here's What We're Thinking:

We know that BTS is FIRST a Christ-Centered Disaster Relief Ministry and our commitment is to "take the hope and light of Jesus to places where darkness and despair have become heavy burdens. We know our Lord can use us to point hurting people to Him.

BTS, HOWEVER, IS A FAMILY. We enjoy spending time together, enjoying each other's company and just doing fun things together. SO, we've been asked to consider a "Branson Getaway." WHY BRANSON? For those who are unfamiliar, keep reading.

Branson, MO is considered one of the most "Family Friendly" live entertainment centers in America. It's famous for its live entertainment, boasting over 100 shows in around 30 theaters, with options ranging from music, comedy, to gospel, tribute acts, and large-scale productions like those at Sight & Sound Theaters.

Key Aspects of Branson's Clean Entertainment:

- **Variety & Music:** Shows range from country, gospel, comedy, and holiday-themed performances, often with a wholesome twist.
- **Family-Centric:** Shows cater heavily to families, offering entertainment without offensive language or mature themes.
- **Faith & Patriotism:** Many performers and shows emphasize faith, family values, and American pride, aligning with the interests of its core audience.
- **Long-Standing Tradition:** This focus has been a hallmark for decades, drawing visitors seeking a safe, fun environment.

Here's What We're Working On:

1. We are working with the Branson Tourism Commission because they are able to get us significant discounts on Shows, Meals, and Lodging.
2. The Dates: APRIL 18-25, 2026 (That's Eight Days)
3. Scheduled shows: Legends in Concert, The Duttons, Showboat Branson Belle, DAVID (Sight's & Sounds live drama), Absolutely Country Definitely Gospel, Grand Jubilee & Buffet Dinner, Titanic Museum, College of the Ozarks, and Nashville Roadhouse Live.

Here's what it will Cost: **\$1500/person** (8 days)
Double Occupancy

This is the **TOTAL** Cost:

Includes Transportation, all meals, all Hotels, all shows, **EVERYTHING** except personal discretionary spending.

\$200 Deposit Due January 29, 2026
\$1,300 Due March 12, 2026

Let's be honest.

We know this may seem really expensive, but again it includes **EVERYTHING** and we travel together on our bus, which is a really cool experience. The Branson Group Tours has gotten us the very lowest prices available. So the question is not, "Can we do better" on the price, it's "Do we have 20 people who want to go." If we DO, we can make it happen.
