

## Details

When our team returned from our Fun Trip to Branson in April, the question was, “When can we do another fun, team building adventure.” So your BTS Leadership Team responded with “Let’s go see the leaves in NC in the Fall.” Here we are... and you are invited. It will be a five day trip that will combine a time on the Blue Ridge, a visit to Roanoke, VA, Charleston, SC and Savannah, GA. Along with the opportunity to share the wonder and beauty of the Fall Foliage in the Blue Ridge and other historic sites, we will combine our travels with a daily focus on Scripture. A unique, “Rolling Retreat.”
