In early March 2026 severe storms including torrential rain, and wind, hit West Monroe LA leaving much devastation in it's path. BTS deployed 19 volunteers on March 7 to serve with Samaritan's Purse in helping devastated homeowners find strength, hope and help in the recovery process.

Many of our volunteers proclaimed that this may have been one of our most meaningful deployments. Certainly because we were able to contribute

in significant ways to restoring hope to 10 homeowners who needed to see Jesus in action. We made a difference. For some

of us the deployment was special because of our opportunity to study the Word together each night. This team was called "Team Survivors" and our theme Scripture was II Corinthians 4:8-10.

May 8-9 BTS hosted our 3rd 24hrs of Prayer. We were so honored that 56 Volunteers from all over the U.S. signed up to pray for one hour. The estimate is that over 20 churches were represented and our web hosting stats reported that nearly 100 people (96) actually logged on to the site to pray. We believe prayer warriors are changed when we pray AND the Kingdom of God is transformed as He hears and answers. THANK YOU to those who prayed. Our next 24hrs of Prayer will be mid Oct/early Nov. Watch for announcements and join us.

More than 70 members of the BTS Family showed up to eat, sing, play, and pray together on Memorial Day 2026.

For several years volunteers have asked if we would consider doing a "Just for Fun" trip somewhere and while we have been receptive, Deployments and Flip House funds raising has been priority. Spring and early Summer were slow seasons in the Deployment world, so we planned a "Just For Fun" Trip to Branson, MO. WHAT an amazing trip. 24 eager members of the BTS Family joined the team for an eight day adventure to Branson. We shared devotions

every day on the bus (a journey through the Book of Philippians with Pastor Gary Hamrick), saw seven musical shows, the Sight & Sound production of "David," saw the movie "The Great Awakening" (the historical drama about the friendship between Benjamin Franklin and George Whitefield), AND toured The College of The Ozarks (one of the highlights of the trip). This turned out to be one of the most exciting Team

Building adventures BTS has done. We are working on our next Team Building "Just for Fun" Great Adventure.

Pray that we can significantly increase our "Donor Base." We depend upon

donations along with the proceeds from our Flip House to keep deployment trip registration costs low.

BTS needs facilities where we can consolidate our office and all of our equipment to make ministry more efficient.
