

Sept. 4, 1915. Honolulu, T. H.

Hon. Judge S. B. Dole,

Dear Sir.

This morning while looking over my second brief, I found just one error on page 14, second line from below, that is, the term at "Nevada" should be at Utah. So that the correct statement is Dr. Hatsuuma of Honolulu told me that he received his first paper at Idaho, and the second paper, that is naturalization paper, he received without any trouble at Utah in 1895 etc (at District Court of the 1st District of Utah, Aug. 4 1895)

Please, therefore, insert the word Utah in place of Nevada on p. 14 in my second brief which I submitted to you two days ago.

Dr. Hatsuuma is going to make his excursion trip to Japan on the 10th of this month, so that before he leaves here, if you kindly ask him of what I wrote of him, you can easily find that my statement is correct.

Yours truly

Takas Ozawa
