Mr. Raymond Crist,
Commissioner of Naturalization,
Washington, D.C.

My dear Mr. Crist:

Will you kindly send us a copy of the order which restores to Armenians, Assyrians and similar peoples the right to apply for naturalization. We believe your order was issued shortly after the Court Decision which construed such races to be "free white" and therefore eligible to citizenship. Was there more than one Decision relating to this matter?

Cordially yours,

Adele Miller Rich
