**It's SHOW TIME, FINALLY!!! In the spirit of community and for the fun of friendly competition, Hugs for Horses' riders are invited to participate in Hugs for Horses' 11<sup>th</sup> horse show.**

We would like all Hugs' riders to put on show faces and happy attitudes to participate atop their favorite horses in made-to-order show classes and games alongside peers. Riders, please bring your personal cheering section of family and friends to hold on to all your ribbons! During and after the competition, all participants and supporters are invited to enjoy a picnic with plenty of fixings, courtesy of Hugs for Horses Program and friends! There is no admission charge for riders and their family and close friends.

- No special attire is required; however, riders must wear ASTM approved helmets and closed-toed shoes. Riders may bring their own helmets or use one belonging to the Hugs Program.
- **Rider check-in is 1:30pm on April 23. Please arrive by 1:30 p.m. unless Ms. Rona tells you differently.** Enjoy lots of fun games, face painting, popcorn, and sweet treats while waiting for your time to shine on your horse!
- This horse show is being funded through donations from individuals and by our grantors, sponsored by Georgetown County Parks and Recreation Department, and could not happen without the help of our wonderful volunteers!
