"Boots on the Ground, Leaving No Veteran Behind"

J. Denise Cromwell, Executive Director
Project Street Outreach Inc.

Greetings,

Since December of 2012, Project Street Outreach Inc. (PSO) has had the mission to make an significance difference in the lives of active-duty, separated, and retired service members experiencing food insecurity, homelessness. Utilizing volunteers as "foot soldiers," we provide military service members and their immediate families several living necessities to empower and support them during times of need. These necessities include food items, clothing, blankets, sleeping bags, tents, bus passes, gas cards, public shower passes, personal hygiene products, and other items related. We take the time to assess the needs of each individual and household to also connect them with community partners who offer additional support to assist them in leading a meaningful and purposeful life after service.

Each year, PSO hosts two annual events: Pre-Thanksgiving Meal Distribution and an Annual Blood Drive. Through the generous contribution of sponsorships last year, our Pre-Thanksgiving Dinner event assisted over 700 veterans by distributing pre-packaged meal kits to prepare for the holiday, and offered hot meals for those experiencing homelessness. Our 2023 Annual Blood Drive created an opportunity for volunteers to donate the precious gift of life to individuals in need, using a unique sponsor code for various U.S. locations. Project Street Outreach Inc. will continue with expanding these efforts, but we believe our mission would go even farther with your organization as one of our sponsors.

By becoming an official PSO Sponsor, your generous gift will aid us in purchasing additional items to distribute to those struggling in the local military and veteran community throughout the year. We also have additional incentives and benefits offered for each Sponsorship Level upon acceptance into our program. With your organization by our side, we're sure to achieve our 2023 fundraising goal to better serve our local military service members.

I want to thank you in advance for your time and consideration. Please feel free to reach out by phone 843-906-8433 (cell), 843-729-8666 (office) or email using outreachforvets@gmail.com if you have any questions or concerns. We can't wait to hear back from you!

Sincerely,

J. Denise Cromwell
