

## What is POCA ?

In 1973 a group of enthusiastic DeTomaso Pantera and Mangusta owners began to hold regular meetings at Peyton Ford-Lincoln Mercury in Long Beach, CA. From this small group, the Pantera Owner's Club of America (POCA) was born. After celebrating our 50th anniversary, we are looking forward to continuing the motoring excitement. We invite you to join us on our journey!

POCA provides members with information from many sources, both social and technical. This includes a monthly newsletter covering club and chapter activities, mechanical advice and assistance, and cars/parts for sale. POCA also publishes Profiles, a high-quality color quarterly magazine highlighting members' cars and chapter events. POCA's website [www.poca.com](http://www.poca.com), includes information on membership, events, photo albums and forums where members can pose questions to other members.

## The International Connection

POCA is a founding member of the International DeTomaso Owners Club (IDOC), an umbrella organization for DeTomaso enthusiast clubs around the world. In this role, POCA is the definitive club for DeTomaso owners in the United States. As a member of POCA, you are automatically a member of IDOC (for no additional membership fee) and will share in information exchange, a multinational registry and other cooperative efforts with fellow DeTomaso groups across the globe aimed at preserving the enjoyment and awareness of the marque.

## Chapters

POCA members actively enjoy their cars and the activities surrounding them. The POCA chapters across the US exist to facilitate that. At this time, there are 18 active chapters that provide social events, regular meetings, tech sessions and driving events. Monthly meetings are held by most POCA chapters. Meeting dates and times vary from chapter to chapter and are posted both on the website and in the monthly POCA Newsletter. As a POCA member, you can designate a chapter of choice in your region with which to participate.

## Membership

There are several membership options depending on where you live and what you would want to receive. Join by going online to: [www.poca.com](http://www.poca.com) or you can contact membership: [membership@poca.com](mailto:membership@poca.com) or 626-414-7135
