

YOUR GUIDE TO A WINNING EXPERIENCE!

Welcome to BetBingo, where your choices shape your luck! This guide will walk you through everything you need to know to play and win big.

WHAT IS BETBINGO?

BetBingo is a unique take on the classic game of bingo. Unlike traditional bingo with randomly generated tickets, BetBingo offers 125 fixed cards with pre-defined numbers. Here, you take control by choosing your lucky cards and colors, placing bets on them, and watching the excitement unfold!

GETTING STARTED

THE LOBBY:

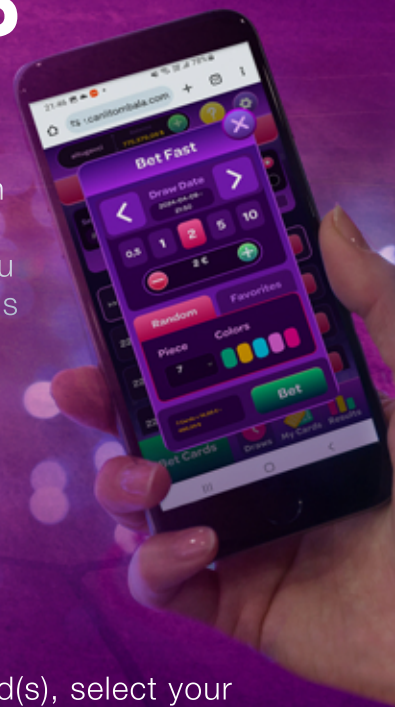

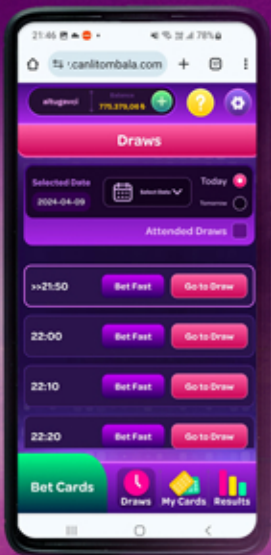

This is your central hub. You'll see upcoming draws listed with details like draw times, available cards, and potential prizes.

CARDS AND COLORS:

BetBingo features 5 color groups, each with 25 uniquely numbered cards. You can browse the cards and choose your favorites based on lucky numbers or color preferences.

PLACING BETS:

Once you've chosen your card(s), select your desired bet amount. You can bet on individual cards or utilize the "Bet Fast" option to place bets on multiple cards with a single click.

PLAYING A DRAW:

SELECTING A DRAW: Choose a draw from the lobby that interests you based on time, prize pool, or card availability.

CLOSING BETS: Each draw has a time limit for placing bets (typically 10 seconds) before the draw starts. Make sure your bets are confirmed before the deadline.

THE DRAW: BetBingo utilizes a certified Random Number Generator (RNG) service to ensure fair play. Numbers are drawn sequentially from 1 to 90.

WINNING STRATEGIES: Keep an eye on your cards as numbers are drawn. The first player to complete a horizontal row wins the "One Line" prize. Two completed rows win the "Two Lines" prize, and filling all three rows on a card wins the coveted "Bingo" prize! Jackpot prizes are also available for specific draw types.

ADDITIONAL FEATURES:

PRE-PURCHASING CARDS: Purchase cards for future draws in advance, ensuring your participation.

FAVORITE CARDS: Mark cards as favorites for quick access and easier betting.

MULTILINGUAL SUPPORT: BetBingo caters to a global audience with support for multiple languages.

MULTICURRENCY: Play in your preferred currency with seamless exchange rate calculations.

WINNING BIG WITH PRIZES:

BetBingo offers exciting prize opportunities to reward your winning combinations:

ONE LINE:

The first players to fill all the numbers in any horizontal row on their cards win the one line prize.

TWO LINES:

The first players to fill any two horizontal rows win the two lines prize.

BINGO (FULLHOUSE):

The first players to fill all three rows of their cards get rewarded by the Bingo prize. This is the grand prize for each draw!

JACKPOTS: There are two ways to win even bigger:

REGULAR JACKPOT:

Achieve Bingo within a set number of balls drawn (determined for each draw). Winners share the main Jackpot Pool.

PROGRESSIVE JACKPOT:

Participate in draws with a designated Progressive Jackpot. A portion of bets contributes to this pool, offering a chance to win a boosted Bingo prize (potentially exceeding 100% payout)!

CHECKING RESULTS:

Draw results are displayed after the draw concludes. You can access detailed information on your "My Cards" page and the "Results" section, where you can see winning cards and prize distributions.
