

UNSURPASSED QUALITY AND DESIGN TO COME HOME TO!

This family ranch estate has been given creative touches everywhere you look. From the detailed landscaping, knotty log covered porch supports to the entry that ties the country outside to the inside with rusted metal barn doors, slate tile trim accents. High end finishes of rock/granite/slate/wood/knotty log through out this home. 4 sources of heat including wood, propane and pellet fireplaces. Main floor Master loaded with luxury country touches. 3 bdrms and inviting visiting area await your guests on the 2nd floor. Outdoor living to your hearts content with views to die for, natural swimming pond/water feature, with plenty room for horses. \$1,150,000.00
