

CUSTOM BUILT FAMILY/PREPPER STYLE HOME

MLS 316-2084

\$289,900

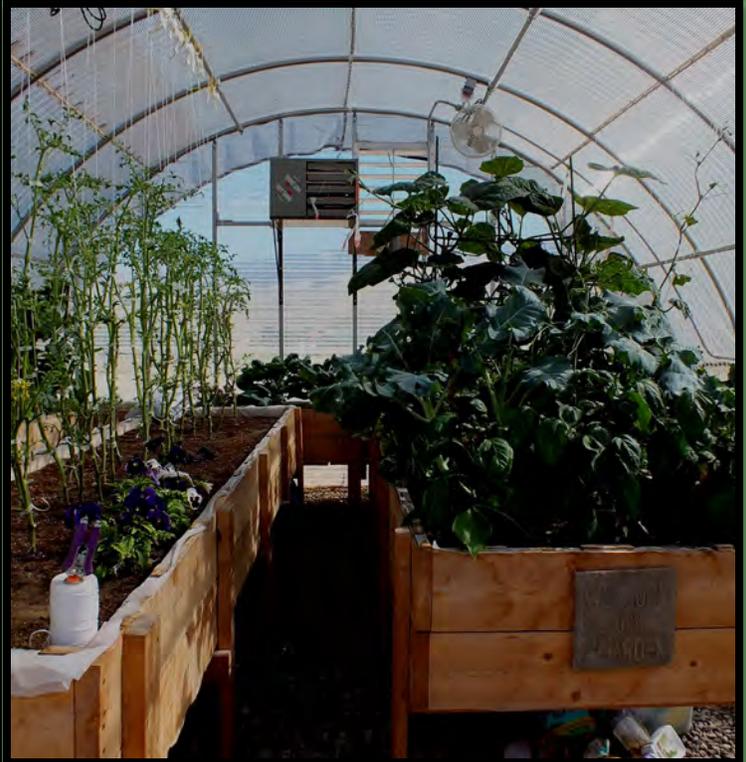

Great 1800 s/f family ranch/Prepper property! This Custom Built 1 story home was built with self preservation in mind! Quality and high end touches mixed with self sustaining function! The kitchen/dining/great room welcomes you in with granite counter tops, a Majestic wood cook stove, stainless modern appliances, & walk-in pantry. The bedrooms are ample and the master has a large walk in closet, & soaking tub, 4' shower and granite tops in the bathroom. The attached, oversize garage with 2 stalls and separate work room, mech rm, & storage complements the home. The natural landscaping with fruit trees is fenced with a 20x20 gravel/raised beds/heated/fans auto climatic greenhouse, additional out building with horse run-in with heated water for winter allows for horses and other small ranch animals to live comfortably. This would make a great Prepper property as well as Horse/4-H property, or just someone who wants space with incredible views! A must see Ranch in Dubois WY!
