\$124,900

This is a coveted river front property on the Big Horn Blue Ribbon River, in Thermopolis. The property's river front is popular with Jackson Hole fishing guides as it boasts 3000 fish per mile. The current owner has caught large trout, brown and rainbow on river along the property! A large gravel bottom metal shop, boat ramp into river, raised building site, dug hole for pond, and trees enhance this property.
