MEN'S CHALLENGE CONNECTION

Event Highlight

Hunter's Mountain Ride

Now in it's 10th year, we'd like to share the two purposes behind Hunter's Mountain Ride. First, to honor the memory of Tony and Monica Curtis' son, Hunter, who tragically lost his life due to his struggles with addiction. Second, the Curtis family hopes to raise funds that will support and help other men who have similar struggles with addiction.

Hunter was a boy's boy; he loved everything outdoors and would rather be outside doing anything than be shut up inside. He was an avid motocross rider and didn't shy away from hard races and big jumps. He also loved to ride through the mountains in his truck, which is the origins of this fund-raising event. So, grab your vehicle (any type) and join us as we ride through the Cashiers-Highalnds area in the mountains of Western North Carolina.
