2026 Hope Gala-Two Nights of Celebration

Hope... the Merriam-Webster Dictionary defines hope as "to cherish a desire with anticipation; to want something to happen or be true." For the person bound in addiction, their hope—their cherished desire—is that one day they will be set free from drug and alcohol addiction. But is this possible? Yes, because Jesus came to make what the suffering soul hopes for a reality. We chose to title our event "**The Hope Gala**" because we want to celebrate how Christ makes hope a reality in the lives of men who have been served at Men's Challenge of the Smokies.

We hope you will support us by attending our **2nd Annual Hope Gala** and witness for yourself just what Jesus can do for those who hope in Him.

What's Been Happening

Here's a glimpse of what God has been doing at Men's Challenge of the Smokies

Congratulations to our most recent graduate, Lawrence.

Ministry Spotlight: A Night on Nite Line

On January 16th, our men were given an incredible opportunity to appear on Asheville's WGG5 TV16 Christian program, Nite Line. During the broadcast, they shared powerful songs, heartfelt testimonies, and the story behind the mission and heart of our ministry with viewers across the region.

It was a truly special evening that allowed us to celebrate what God is doing and to spread hope far beyond our walls.

We are deeply grateful to Pastor Sandy and the team at Harvest Time Asheville for the generous invitation and warm welcome. Thank you for giving us the opportunity to share God's work and be a part of such an impactful night.

Thanking God for our two most recent baptisms. Corey & Logan

Our men were gifted with Hoodies & Hats with our new logo. Thank you to the donors who made this possible. The men love them.

Thank you to our 2025 Hope Gala Sponsors who have helped make it possible for our men to experience freedom, restoration & hope. For more information on becoming a 2026 sponsor, please contact our office.
