VATREN HISTORY

Vatren company has a deep and authentic history that dates back to 1979, when our father and grandfather laid the foundation of this craft by hand. From that time until today, this work has been more than just a profession for us; it is a legacy that has. In 2019, the company was restructured with a modern vision to deliver large-scale projects, international hotels, luxury villas, and major industrial works, utilizing

In 2021, the British company BVertex provided full support, marking a significant milestone in our expansion and international growth. Additionally, our branch in China was established to strengthen production, expansion, and industrial collaboration enabling us to deliver our services globally in line with international brands.

Vatren company is recognized as one of the leading and pioneering firms in woodworking and interior works, offering a wide range of professional design solutions with high quality and exceptional attention to detail. We believe that: Quality-Trust-Innovation are the foundations of success, and we are always committed to delivering the best possible results for our clients.

VATREN COMPANY STRATEGIC

At Vatren, our strategy is built around delivering luxury interior design services as a complete one-stop solution ensuring uncompromising quality, precision, and adherence to the highest professional standards. From concept development and design planning to execution, fit-out, and final delivery, we manage every stage of the project under one integrated system.

We prioritize a deep understanding of our clients' needs and expectations, combining modern design concepts with expert craftsmanship, premium materials, and high-level execution. Through strategic partnerships with trusted collaborators and continuous alignment with international design trends, Vatren delivers seamless, efficient, and fully coordinated solutions.

Our goal is to build long-term, sustainable relationships while creating elegant, functional, and timeless spaces that retain their value over time—positioning Vatren as a reliable partner for complete luxury design and execution solutions.

VISSION AND MISSION

Our Vision

To be a leading force in the industry by delivering service driven by continuous + innovation , uncompromising quality, transparency, and complete customer satisfaction.

Our Mission

To leverage our expertise to deliver high-quality, cost-effective solutions that contribute to our clients' growth performance, and long term success.

Our Ethics

We build enduring partnerships founded on reliability, transparency, and responsible decision-making through out every stage of each project.

Our Difference

We measure our success by our clients' success exceeding expectations through professional expertise, refined craftsmanship, and a strong commitment to quality. Built on trust and comfort Vatren is a partner our clients feel confident with often regarding our company as they would their own home.

EXPERT SERVICE

- Interior and exterior design
- Design and execution of luxury villas
- one stop solution
- Custom furniture manufacturing
- Design and installation of kitchens, bathrooms, and wardrobes
- Premium wallpapers and decorative solutions
- Advanced woodwork and metalwork
- Landscaping and garden design

VATREN DESIGN

We create interior and exterior designs that seamlessly blend artistry, functionality, and refined luxury. Through meticulous attention to detail, premium materials, advanced lighting solutions, and carefully curated finishes, we transform spaces into elegant, calm, and distinctive experiences. Our designs are tailored for luxury villas and exclusive environments, where beauty, comfort, and individuality come together in perfect balance—creating exceptional living spaces defined by sophistication and timeless appeal.

PRIVATE CLIENTS

We work with high-profile private clients who place the highest value on privacy, discretion, and confidentiality. Many of our clients request that their design work, residences, offices, and commissioned projects remain completely confidential. In full respect of their wishes, we do not share or disclose any design materials, project information, addresses, or client-related details on public platforms, social media, or with third parties. As a result, our presence on social media and public platforms is intentionally limited, reflecting our commitment to protecting our clients' privacy and trust, which we consider more important than publicity or promotion.

LUXURY VILLAS & PENTHOUSES

We specialize in the design and complete execution of luxury villas and penthouses, delivering fully integrated *A–Z interior solutions* with uncompromising quality and craftsmanship. Every stage, from concept to final installation, is carefully managed to ensure a seamless and refined result.

Our portfolio includes some of the most prestigious luxury residences in the country, including landmark projects in Empire, Waziran, and Dream City—a clear expression of Vatren Power. Using premium materials such as natural marble, fine natural wood, and luxury wallpapers from leading international collections, we create timeless interiors tailored to the lifestyle and expectations of each client.

MULTI- BRAND

We design high-end multi-brand retail spaces, a process that is inherently complex and demanding, requiring strategic planning, deep brand understanding, and precise professional organization. Each project is carefully developed with a strong focus on exceptional quality and efficient scale, ensuring refined finishes, durable materials, and a cohesive spatial experience for multiple brands within one environment.

Our designs balance luxury, functionality, and quantity, allowing each brand to be presented with clarity, distinction, and elegance. The result is a sophisticated retail space where complexity is transformed into harmony, and every brand is showcased to the highest standard.

FONDOVALLE & FLANDRE

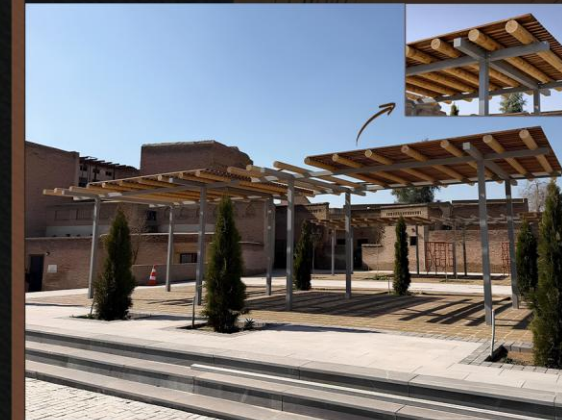

CITADEL OF ERBIL

The redesign of the Erbil Citadel was initiated and sponsored by BAZ Group, a leading group committed to preserving important cultural landmarks. Due to the site's historical sensitivity, BAZ Group selected Vatren to carry out the redesign, reflecting strong confidence in our expertise and professional capability.

Vatren executed the work under strict heritage conservation principles, ensuring the Citadel's historical identity, cultural value, and architectural authenticity were fully preserved. The scope included the careful restoration of doors, windows, and gazebos, respecting original forms, proportions, and traditional character.

This project highlights Vatren's ability to deliver refined architectural work within highly sensitive heritage sites while maintaining full respect for history, tradition, and cultural continuity.

PROJECT

BOULEVARD PROJECT

Vatren designed, engineered, and delivered the Boulevard Project from A to Z, providing a complete turnkey interior solution defined by premium materials, refined finishes, and precise craftsmanship. Selected from more than 50 participating design companies, this appointment reflects strong trust in Vatren's quality, expertise, and professional capability—trust that was fully met through execution to the highest standards. The interior design for Buildings A1, A2, and A3 was completed as a contribution, without financial compensation.

Designed Zones & Spaces:

- Penthouse
- Kitchen Cabinets
- Sinks & Laundry Areas
- Dressing Rooms & Wardrobes
- Entrance Zones & Foyers
- Staircases
- Offices
- Cafés

• Professional Execution

All works were delivered with meticulous attention to detail, ensuring a cohesive and elegant design across all spaces.

• Result

The Boulevard Project was completed as a fully bespoke and luxurious environment where every detail reflects sophistication, refinement, and timeless quality.

Company Reference Letter – VATREN.CO.LTD

To Whom It May Concern,

We are pleased to provide this reference letter in support of VATREN.CO.LTD, who commenced their works in 2021 and successfully delivered their assigned scope on The Boulevard Residential Project in Erbil. VATREN.CO.LTD was responsible for the design, supply, and installation of kitchens, dressing rooms, and cabinetry works for Buildings A3, A4, and A5. All works were completed to a high standard, demonstrating excellent workmanship, superior material quality, and strong attention to detail.

Due to their consistent performance and reliability, VATREN.CO.LTD was awarded additional works beyond the original scope. These included full furnishing and interior works for a luxury penthouse, covering custom furniture, finishes, doors, and related fit-out elements. The additional works were executed successfully and met the expectations of both the client and project management. Throughout the project, VATREN.CO.LTD proved to be a professional and dependable contractor, with effective coordination, timely delivery, and a strong commitment to quality.

Based on our experience, we confidently recommend VATREN.CO.LTD for residential or high-end interior projects requiring quality craftsmanship and professional execution. Should you require further information, please feel free to contact us at +964 751 414 2280.

Sincerely,
Haval Salih
Chief Executive Officer

ABASLY PROJECT

The (Abasli Tower) project was delivered in (Baghdad), demonstrating Vatren's capability to design and execute large-scale, complex interior projects across Iraq. Vatren consistently delivers projects with high quality standards, professional organization, and strong commitment to timelines.

Vatren completed the full interior design of Abasli Tower from A to Z , managing the project from concept through final execution with rigorous quality control and close attention to detail.

- Bathroom sinks
- Faucets
- Electrical switches
- Lobby design
- Project Scope Included:
- Penthouse
- Kitchen
- Plywood doors (entrance, emergency, and service doors)
- Elevator façade

Project Conclusion

Abasli Tower was delivered as a high-quality interior project using premium materials and skilled workmanship. Precision in execution and an organized workflow resulted in refined, durable, and elegant interiors, reaffirming Vatren's ability to deliver large-scale, high-end interior projects across Iraq with consistency and excellence.

خطاب توصية لصالح شركة فاترين

إلى من يهّمه الأمر،

يسرني أن أقدم هذا الخطاب لتقديم توصية قوية وداعمة للسيد هادي أمين إسماعيل، الذي تشرفت بالعمل معه عن قرب منذ عام 2015، وذلك في عدد من المشاريع، كان آخرها مشروع أبراج العيسلي السكنية

خلال فترة تعاوننا المهني، أظهر السيد هادي أمين إسماعيل خبرة عالية ومعرفة تقنية متقدمة في أعمال النجارة، وتصميم المطابخ، والتشطيبات الداخلية، وأنظمة الأبواب، إلى جانب دقة استثنائية في التفاصيل واختراعية تجاوزت المعايير المتعارف عليها في هذا المجال.

في إطار مشروع أبراج العيسلي السكني في بغداد، حيث قام بتنفيذ جميع أعمال تصميم النجارة بتصاميم فريدة ومتميزة لمباني A2 وA3 وA4 وB3 وB4 وB5 ، تولى تنفيذ واعتماد جميع أعمال وتصاميم النجارة، وقام بتسليم ما يقارب 100% من أعمال المطابخ، إضافة إلى مسؤوليته الكاملة عن تنسيق وتخطيط مخططات النجارة لكافة البلوكات، بما يشمل الأبواب الخشبية والمعدنية، أبواب المداخل، مقابس ومقابس الكهرباء، أنواع الخوفا، أحواض الغسيل، وديكورات المصاعد.

وقد عكس هذا التعاون بوضوح كفاءته الفنية العالية، ودقته في التصميم، وفهمه العميق لأنظمة النجارة والتصميم الداخلي. كما تميّزت مشاريعه السكنية بنظام التصميم والتنفيذ وبسرعة مقبولة، مما يعكس قدرة واضحة على التخطيط المحكم، ضبط التكاليف، والاضباط في التنفيذ.

إلى جانب قدراته التقنية، يتمتع السيد هادي أمين إسماعيل بمهارات قيادية متميزة، حيث يقود فرق العمل باحترافية ووضوح في الرؤية ونهج عملي موجه نحو تحقيق النتائج، مما أكسبه ثقة واحترام جميع الأطراف المعنية.

وعليه، أوصي به دون أي تحفظ، وأؤكد أنه سيكون إضافة قيمة لأي مشروع سكني أو متعدد الاستخدامات، لما يتمتع به من خبرة، التزام، وقدرة عالية على القيادة وتحقيق القيمة المضافة.

. وفي حال الحاجة إلى أي معلومات إضافية، يرجى عدم التردد في التواصل معي عبر البريد الإلكتروني أو عبر الهاتف.

Didar.civil87@gmail.com

ويسعدني تقديم أي تفاصيل إضافية حول خبرتي المهنية مع شركة فاترين.

شاكراً لكم وفائق اهتمامكم.

وتفضلوا بقبول فائق الاحترام والتقدير،

ديدار شمس الدين
