# The Fastest Way to Fundraise. The Sweetest Way to Grow.

You don't need a committee, a carnival, or a six-week lead time. You need something that works. WFC fundraisers move fast, raise big – bigger than you'd think you could selling \$2 or \$5 chocolate! – and build real-world skills along the way.

From basic math to nurturing confidence, kids build life-ready skills with our fundraisers.

Most fundraisers wrap up in just **2 weeks** with the opportunity to earn up to **50% profit**.

No upfront costs and 60-day returns for qualifying organizations.

We'll host a **fundraising kick-off** and customize a **student incentive program** that fuels participation.

With over **\$4.7 billion** raised, our delicious chocolate is so well-known it practically sells itself.

Dedicated representative to **guide you** each step of the way.
