

**WORLD'S FINEST® CHOCOLATE**

**WE FUND COMMUNITIES™**

## Low Touch Fundraiser

**School Fundraising will never be more important than this fall.  
Don't settle for a substitute and make less money when you need it the most.**

World's Finest Chocolate is now offering schools a low touch way to fundraise with the same great cases of chocolate so that you can make the most amount of money, while following any guidelines that may be in place. Plus, our high value \$1 and \$2 chocolate bar prices are affordable for most people, even during this difficult economic time. With a few simple changes, you can order, hand out your chocolate, and collect the sales proceeds at a distance.

### **The Kickoff**

Use World's Finest Chocolate's kickoff and prize video in your classroom or in emails to your parents and skip the full-school assembly.

### **Virtual Permission Slip**

Use WFC's pre-order tool for families to sign up online to sell chocolate without having to handle paper or turn in permission slips.

### **Chocolate Distribution**

Use WFC's Sales Tracker to pre-label chocolate for parent curbside pickup where they can maintain a safe distance.

### **Money Collection**

Use your existing touchless fund collection tools to have parents return their money electronically via Venmo, Zelle, PayPal, or an existing "fees" collection process the school may already have in place.
