

WiddyUP is a fundraising platform that empowers students to showcase an interest or talent while making a difference for their organization.

**Organizations earn 95% of donations received.**

**This might put a smile on your face: [Presenting WiddyUP!](#)**

By creating short videos that highlight a talent or interest and sharing them with family and friends, students can help raise money for their organization while building community at the same time.

**[Check out this short video describing WiddyUP](#)**

On average, participants in a WiddyUP fundraiser are **receiving \$40 per donation!**

The WiddyUP onboarding process includes **three simple steps:**

1. Organizations register on the WiddyUP website
2. Students receive a unique link used to create their account on the WiddyUP site (*WiddyUP materials sent to participants are in English & Spanish*)
3. The WiddyUP fundraiser typically runs for two weeks and the money participants earn is distributed to the organization within 30 days

The safety of our participants is core to the WiddyUP mission. We've implemented strict measures to ensure appropriate video content is sent to friends and family:

- **Automated video screening:** We've integrated state-of-the-art software to identify inappropriate content, preventing it from being sent out.
- **Privacy Settings:** Participants can control who sees their videos: Just their family & friends, other participants in their organization on WiddyUP, or all participants on WiddyUP.
- **Participant Pledge:** At sign up, each student commits to the video code of conduct.

**It's time to have fun with your community while raising money for your school! What interest or talent will you share?**

**Reach out and we'll give you a backstage peek at a WiddyUP show.**

Things are looking up...WiddyUP! Go [here](#) to sign up today.

# How Chairpeople Can Set the Stage for a Successful Show!

**Please Note: After a chairperson registers, they will receive this document (with a few edits to make it applicable to them.)**

## **What Will Make This Fundraiser Successful?**

- Determine an effective way to communicate with participants (i.e. by email, social media, flyer, marquis, school specific app., etc.)
- Build excitement and encourage participation
- Encourage teachers to create and share a video of their talent or interest with their students
- Engage their school's clubs and organizations and come up with an incentive specific for them
- Set an example and show how much fun it can be. Students will follow your lead!

## **Who Should Be On The Chair's Team?**

WiddyUP is an online platform and, while primarily student driven, their team's enthusiasm about sharing an interest or talent will be contagious! Team members can help:

- Send communications to participants
- Organize an in-school incentive program
- Build excitement about the fundraiser and encourage participation

## **The WiddyUP Steps for Students**

1. Create and upload a Pitch to Donors video (telling donors what they're doing and asking for support)
2. Share the Pitch to Donors video with family, friends, and community members (this is how money is raised)
3. Create and upload a Follow-Through video (showcasing their talent or interest)
4. Have fun, be themselves, and go for it!

## **What Can You Have Chairs Do Now?**

1. Determine the show dates and register on [www.widdyup.com](http://www.widdyup.com)
2. Establish a team and invite additional chairs to the show when registering
3. Set a clear mission for the fundraiser - the more specific, the more connected students and donors will feel
4. Determine the most effective means of communicating with participants so they know to check their email for important show information
5. Prepare and upload a .csv files of student and teacher emails to their dashboard for important fundraiser communications
6. Decide which of their most popular in-school incentive programs to roll out
7. Connect with the leaders of their school's clubs and organizations and establish an incentive that creates the most excitement and drives the highest participation
