

Message from the Committee

NDCSA have provided social welfare, education, sport and leisure facilities for the local community at **Bloomfield House Community Centre** in Narberth since 1980. The organisation is a registered charity and the centre is managed by a volunteer committee.

This autumn a variety of providers will offer a programme of activities and adult education classes. We aim to meet the needs of our users. Whilst this is a smaller than usual brochure due to the restrictions we have all been observing please do contact us by phone for any queries and visit our website for updates, we look forward to welcoming both new and existing members and visitors to our Centre.
