

Bloomfield House NDCSA

Community Centre
Narberth and District Community and Sports Association

Bloomfield House Community Centre (NDCSA) are looking at ways we can re-open our Sports Hall and Recreation Hall facilities in the near future. In preparation for future bookings there are certain criteria that we need to review, therefore, we would be grateful if you could complete the following form and return to us at your earliest convenience. Please feel free to provide as much extra detail as you can.

Please be advised that our booking system will be significantly different from our previous schedule. Your booking times may need to be adjusted and not all times will be available as we have to factor in enhanced sanitisation of the facilities between bookings.

Name of group		
Name of contact for group		
Contact number		
Describe the activity
