

SANIBEL-CAPTIVA KIWANIS CLUB

Requesting a Grant from Kiwanis Club of Sanibel & Captiva Islands

Dear Community Leader,

The SanCap Kiwanis Club, part of Kiwanis International, invites you to apply for one of our annual grants to benefit island youth.

Kiwanis International is a global organization of volunteers dedicated to improving the world, one child and one community at a time. Consistent with this theme, the Sanibel and Captiva Islands Kiwanis Club is an energetic group of about 90 men and women who orchestrate several fundraisers each year and then use the funds to award a series of scholarships and grants across the community.

With the grants, SanCap Kiwanis seeks to identify proposals that expressly serve youth, are “island impacting,” and demonstrate an opportunity to make a difference. While this can be achieved in numerous ways, proposals that reflect a direct impact, address a clearly stated need, and demonstrate the application of funds in a prudent and effective manner will be given priority. *(For more details, please see our scoring rubric on page 3.)*

If you're interested in receiving a grant for the 2024-25 year, **please submit an application by July 15, 2024.**

We look forward to supporting your projects on behalf of our island youth.

Sincerely,
Angi Semler Welch
