Competitors who enter the 25 m events (1, 2, 7, 8, 13, 14, 19 & 20) are ineligible to compete in longer events for the same stroke. Cash prizes awarded for 1st, 2nd and 3rd boy and girl in age groups listed.

Any enquiries email: narranderaswimmingclub@gmail.com

STARTING INSTRUCTIONS

1. Commencement time is 1pm. Officials must report to the referee at least 30 minutes prior
2. Competitors should obtain a program & check that their entries are shown in the correct events. Team managers should advise recorders of withdrawals or incorrect entries on arrival at the pool & preferably 30 mins prior to the start time.
3. **Claim of entry** – These are multi age events conducted concurrently and swimmers should report ONE event prior to the scheduled event or when called by marshals (Check the board & listen for your event & heat). First 2 heats must be there promptly. For other events, swimmers should **report to marshalling 3 heats prior to their scheduled event** & tell the marshal that they are present and remain in the marshalling area until directed by officials to move to the starting area.
4. When the swimmers have been placed behind the starting platforms, the starter will announce the Event and Heat number, e.g. Event 4 Heat 3.
5. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.
6. On the command “**Take your marks**”, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
7. When all swimmers are stationary the Starter shall give the starting signal.
8. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
9. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
10. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.

NOTE: If, because of the length of the program, “starting over the top” is used, swimmers from the preceding heat are to move to the side of the lane, **against the finishing wall, and remain still**. When the next heat has started they should leave the pool by the sides as quickly as possible.

WARM UP PROCEDURES

Warm-up will commence at 12pm and shall conclude at 12:45pm. All swimmers will be asked to leave the pool by 12:45pm to allow the meet to commence at 1pm.

In the interest of swimmer safety, the following general pool procedures for warm-up must be observed.

All lanes in the competition pool, with the exception of lanes 1 & 6 are NO-DIVING, with entry to the pool being feet first from a sitting position. Swimmers can only push start & should stay to the left of the lanes at all times.

Lane 1&6 (start end) are reserved throughout the entire warm-up for dive sprints and walk backs.

Lane 1&6 (50m finish end) are reserved throughout the entire warm-up for finishes & turns

Lanes 2 -5 are reserved for circle swimming throughout the entire warm-up
