Vice President (Riverina):	Rochelle Trembath
Area Technical Committee Co-Ordinator:	Naomi Jones
Development Convenor:	Jason O'Loughlin
SNSW Meet Liaison Officer:	Stephen Mawbey
Web Master:	Rochelle Trembath
Equipment Officer & Property Steward:	Michelle Mawbey
Publicity Officer:	Rochelle Trembath

## **Presidents Report**

On behalf of the Southern Inland Swimming Association Committee, it is with pleasure that I present to you the 2024-2025 Annual Report.

SISA registration numbers remain stable with a small percentage drop across the area, but overall, our swimming numbers were exceptionally good. Our area is one of the biggest areas in NSW with registration numbers. SISA have a total of 2950 members including all membership categories.

In January 2025, SISA was one of the three locations to hold the NSW Regional Country Championships with Griffith Swimming Club hosting the two-day meet at the Griffith Aquatic Centre which was a very well-run meet and on behalf of SISA I pass on my congratulations to the Griffith Swimming Club, NSW Swimming and Griffith City Council for their dedication and professionalism in the way the meet was run.

The 2025 SISA Long Course Championships and Speedo Sprints Heats were conducted at the Young Aquatic Centre Saturday 1<sup>st</sup> and Sunday 2<sup>nd</sup> February 2025. Thanks & congratulations must go to the Young Amateur Swimming Club for hosting an outstanding two-day event. I pass on my thanks to Hilltops Council, Mayor Brian Ingram and Local Member of Cootamundra Steph Cooke for supporting this meet. We as an area are continually looking to improve our meets and this year it was very pleasing to add more 25 events to the program allowing those swimmers to swim on both days during the meet if they are present with their older siblings. The Speedo Sprints and Long Course Championship is getting bigger each year. Congratulations to Wagga Swim Club on winning overall Club Long Course Club Championship followed by runners up Young Amateur Swimming Club.

Speedo Sprints 2025 Finals was another successful event with 78 swimmers from SISA having the opportunity to represent their area and swim at the Sydney Aquatic Centre (SOPAC). This is a great opportunity and experience for swimmers and something to remember. I along with the SISA Committee congratulate you on this achievement and a big thank you to the Coaches and Managers from our Area that travelled up to Sydney to offer support, guidance and manage our area swimmers aged 8 years to 13 years.

The Brophy Invitational Meet was held on Sunday 30<sup>th</sup> March 2025 at the Australian Institute of Sport where swimmers from across our area were selected to represent the area. Brophy has been a meet where our area is divided up into Southwest, Murray and Riverina where area representatives will select their Brophy teams. This year saw Southwest along with Riverina / Murray Combine to form two competitive teams to travel across to Canberra to swim. SISA would like to congratulate all our Junior Swimmers along with Coaches & Managers in attendance on a successful meet as you did SISA proud.

SISA continued to strive to provide opportunities to all Swimmers by running Swim Meets across our area, so swimmers were given the opportunity to swim at the next level. Thank you to all our clubs that held meets and a shout out to all parents who got behind their club to run the meet without your contribution to the sport of swimming these meets cannot run effectively and efficiently to the standard that they are run.

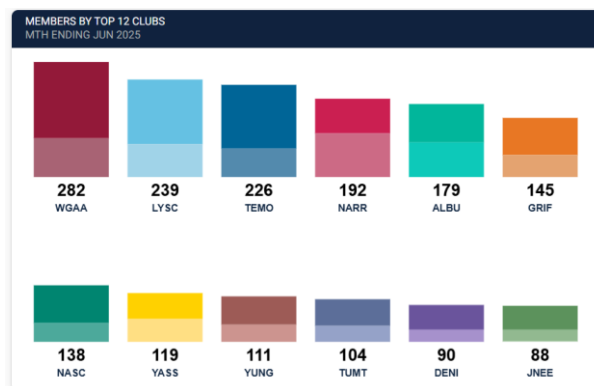

SISA had a total of 89 Swimmers participate overall at NSW Country Championships. I would like to congratulate all swimmers and Multi Class Swimmers from all clubs that went on to represent their clubs at Junior, Senior or State Open Levels. SISA was well represented by swimmers and multi class swimmers at Age and Open Nationals held in Brisbane in April.

SISA has 1368 Full Member Swimmers, 564 Dry Swimmer Members, 515 Recreation Swimmers, 375 Club Swimmers, 107 Life Members including all Clubs in our area, 16 second claim members. I would like to pass on my congratulations to all those swimmers who have swum for fun or at a competitive level. 61.6% of our membership are ladies with 38.3% of males.

Like all Sports, registration numbers for swimming continue to be consistent for our 13 years and under with 64.3 per cent of our swimmers being 13 years and under. We see a major shift once swimmers reach the age of 14 years and older. In 2024-2025 the area only had 333 Swimmers registered in the age bracket of 14 to 18 years of age making up 11.3 percent. Our area would like to see our teenagers remain in the sport of Swimming.

The top 12 Clubs for registration of members across the area are listed below with Wagga Wagga Swim Club having a total of 282 Members, followed by Leeton Yanco Swimming Club and Temora Swimming Club. It was great to see our smaller clubs from across the area continue and hopefully will continue to grow in 2025-2026 Season.

I would like to thank our Sponsors Deniliquin Freighters, Corporation and Luxury Air Travel, O'Loughlin Wiltshire Horn Sheep Stud, and ELM Aquatics for your support and contribution. SISA is proud to announce that just recently we have had Jayco Albury Wodonga and APM Employment Services join the SISA team for the 2025-2026 Season.

SISA in 2024 – 2025 have continued to work closely with SNSW and bring opportunities to the Country and Regional Areas. In August 2024 we worked collaboratively with SNSW in getting a JX Phoenix Clinic and Performance Clinic in Wagga which was very well received and attended. SISA subsidised \$18.00 for each swimmer to attend one of those clinics to reduce costs for the parents.

Achievements and initiatives SISA have achieved in 2024-2025 Season.

- SISA has increased its Multi Class Events for our SC and LC Championships to be more inclusive allowing our MC Swimmers to achieve Country / Qualify times.
- SISA bought a Phoenix JX Clinic to Wagga for the first time in September 2024
- SISA brought a performance Clinic to Wagga for the first time
- SISA runs a Meet Manager Program for our Club Officials to encourage more officials to get involved and provide the training for our clubs, so they know how to use Meet Manager.
- SISA held Club Meetings / Forums at the beginning and end of Long Course season to communicate to all Clubs vital information they needed to know. SISA invited SNSW Club support officers on both occasions and Josh Karp - General Manager of Participation. On both occasions saw 23 Clubs join the zoom meeting allowing SNSW Club support officers to have a big audience promoting Club Support Officers and their value to Swimming Clubs.
- SISA has sought sponsorship which has been secured for the area this small financial contribution along with other valued sponsors allows SISA to use that Money to go towards payment of medals and subsidise other costs for the area.
- SISA in 2025 subsidise part of the entry fee for Speedo Sprints due to price increases to allow swimmers to participate and keep entries at a reasonable level.
- SISA subsidise the cost of Speedo Sprint Shirts to keep costs low for families.
- SISA covered all entry fees for our Area Swimmers and parent's entry fees who were offering to time keep at the Brophy Meet in ACT on 30th March 2025.
- SISA has covered the \$1.50 entry fee for all swimmers for our LC and SC Championships to get entry fees at a reasonable price.
- SNSW held the SNSW Development clinic run by Chris Myers in Albury and Juneee. This was well attended by SISA Swimmers and SISA Club Coaches with the feedback from the survey outstanding. SISA was able to secure Juneee Aquatic Centre free of charge for SNSW.
- SISA informed SNSW of an article in a paper in relation to Councils delaying the opening of pools in summer, resulting in Clubs have an even shorter season. SISA informed SNSW that SISA was going to do a survey for all our clubs. SNSW liked the initiative, and a survey was sent out statewide allowing SNSW to gather data to get a better understanding of how long clubs are getting use of their pool's vs membership costs.
- SISA area continues to be a premier location, to hold NSW Country Regionals with pools & facilities available.

- SISA continues to constantly promote all our swimmers' achievements, clubs and Club nights through our SISA Facebook page.
- SISA area has introduced SISA Development Squads for ages 10-14 years which is led by our Development Convenor. The aim of this program is to provide opportunity for our up and coming swimmers as there are minimal indoor pool facilities across Southern New South Wales.
- SISA has covered the cost of the Junior Development Squad Shirts

I would personally like thank all Swimmers that recently participated in the 2025 Swimming Trails in Adelaide being Dorothy Pasko (Nth Albury), Seinna Toohey, Isabelle Rae and Mia Hogan (Albury Amateur Club), all of you ladies should hold your head high on your achievements in swimming at this meet and making the finals and achieving personal best times. The SISA area is very proud of Sienna Toohey who has become an Australian Dolphin joining the Australian Swimming Team. We wish you all the very best at the World Championships in Singapore and beyond aiming for the Olympics in Los Angeles.

The SISA Committee is a very committed team who volunteer their valuable time to provide opportunities for all our swimmers across such a large area of Southern New South Wales.

Special Acknowledgement should be given too:

- Ingrid Corcoran for your continuing secretary duties
- Merv Penny for ensuring all our financial regulatory requirements and obligations are met and SISA money is spent wisely.
- Stephen Mawbey for his continual support as Vice President for Southwest Zone and being the SISA Meet Liaison Officer ensuring all meets are uploaded and ready to go and your professional liaison with SNSW.
- Phil Evans for his support as Vice President for the Murray Zone
- Rochelle Trembath for her support as Vice President of Riverina and Maintaining the SISA Website
- Naomi Jones for providing ongoing support and training to our SISA Technical Officials
- Michelle Mawbey for ensuring all SISA equipment, resources and records are Maintained.
- Jason O'Loughlin SISA Development Convenor.
- To all our Referee's & Technical Officials who volunteer many hours each weekend walking the pool deck officiating, without you, official meets cannot proceed.

I would like to thank Kirsten Thomson, CEO of Swimming NSW and Chairman of SNSW Graeme Field it has been a pleasure working with you throughout 2024-2025 season and look forward to working with you in the coming season.

I would like to thank all Club Committees, Coaches, technical officials and Parents for the work you do behind the scenes, on pool deck and supporting your sons and daughters throughout the season.

**Mark Lake –**

**President**

**SISA**

## **MURRAY REPORT**

### **June:**

Albury could not host the SISA S/C Championships due to upgrades at the Wodonga Leisure Centre. Thank you to SISA who held it a Wagga.

### **July:**

Sienna Toohey and Wayne Gould represented Albury at the Pan Pac's, Sienna winning two Silver Medals.

### **October:**

Albury Swim Club hosted their Open meet. Great result and many thanks to all the officials and volunteer's that helped out. Big thank you to Steve and Michelle Mawbey Chris Hayes, Jeremy Figgis, Pricilla Horsley and all the SISA Officials that participated on the day.

### **November:**

Wagga Wagga Open meet on the 2 nd was low in numbers but ran well, this was a problem throughout the year. Development meet at Albury on the 9 th was well attended, thank you to Chris Myers and Jason, June then on the Sunday. North Albury cancelled their Open due to low numbers and parents. The 16 th November was the Griffith Open, again numbers where low, Pam and Myself enjoyed the hospitality.

### **December:**

Two interclub meets were held with good numbers at each.

### **January:**

SISA held the Country Regional Championships in Griffith, good numbers and fast times. Yarrawonga held their Open meet 133 swimmers was there lowest in a long time as this is a run into their Country Champs so Victoria feeling the financial stress.

### **February:**

Congratulations To the 9 swimmers from Albury who went to Young for the SISA Champs Speedo Sprints, O and M in their wisdom booked North Albury Pennant on that same weekend which saw low numbers attend. This has now been rectified. O and M held their Championships on the 22 and 23 with Alexandra Vaccaro North Albury and Issabelle Rae Albury taking out the 100-meter freestyle final.

### **March:**

School meets came to end with good results from our SISA Swimmers Sienna Toohey, Issable Rae and Mia Hogan great results in Sydney. Attended the Brophy meet again this year with a good roll up of Officials from ACT, thank you to all the Officials that helped out throughout the season.

### **April/May:**

Great result for SISA Swimmers and Murray Swimmers going to Queensland for National Age and Open. Congratulations to Mia Hogan winning 7 Gold and 1 Silver and Dorathy Pasko in the Multi Class, Issabelle Rae and Sienna Toohey with outstanding swims at the Age Nationals with Sienna Winning Gold and Breaking Liesel Jones's 16 year's old records for the 50 and 100 breaststroke and Wayne Gould (Coach) Qualifying for the Australian Junior Dolphins Development team as a coach

Officials: Sonnia Bullivant attained Recorder and Meet Manager, Clare Rae as a JOS. Sally Racheal was on pool deck learning JOS and is close to be accredited, we also have a number of new parents wanting to do Officiating.

In closing would like to thank Mark Lake on a fantastic job with the SISA Committee and swimming NSW. Stephen and Michelle Mawbey for their help with swim meets and other committee matters great to have such knowledge on our committee for any delegate to ask for advice. Rochelle on organizing the blue and green teams for Brophy a very difficult job with the restrictions that she had to navigate.

Regards Phil Evans

Murray VP.

### **Southwest Zone Report for 2024-2025 Season**

Southwest Zone Report – 2024–2025 Season Presented to the SISA Annual General Meeting. The Southwest Zone is pleased to report that we have enjoyed another successful season of swimming in 2024–2025. Our zone was able to host five scheduled qualifying carnivals, as well as a highly successful SISA Championships hosted by Young and two additional Development Carnivals.

#### **Qualifying and Development Carnivals**

All carnivals were well attended and professionally delivered. We extend our sincere thanks and congratulations to all clubs who hosted carnivals this season. Their willingness to support the zone by taking on the responsibility of running carnivals is greatly appreciated and has contributed significantly to the strength of competitive swimming across the South West.

It was particularly pleasing this season to welcome swimmers from neighbouring Victorian clubs, as well as a strong contingent of swimmers from both the Riverina and Murray Zones. It is becoming increasingly evident that while we operate across three distinct zones, there is a clear spirit of collaboration and unity. All three zones are working together to make Southern Inland Swimming the

strongest and most supportive area in New South Wales. This cross-zone cooperation is a true strength of our region.

Below is a summary of carnivals hosted within the South West Zone this season:

Location	Carnival Type	Swimmers	Entries
Cootamundra	Meet No. 1 (Qualifying)	156	667
Yass	Meet No. 2 (Qualifying)	176	731
Junee	Meet No. 3 (Qualifying)	157	766
Quandialla	Development	106	522
Young	SISA Championships	250	1,383
Gundagai	Meet No. 4 (Qualifying)	148	656
Temora	Meet No. 5 (Qualifying)	167	774
Coolamon	Shirley Tulk Memorial	71	357

All meets were well supported, with the exception of the Coolamon event, which was unfortunately impacted by scheduling close to the Riverina School carnivals.

### **ACT James Brophy Meet**

A strong team from the Southwest Zone once again represented our region at the ACT James Brophy Meet in Canberra in March. Our sincere thanks go to Stephen Mawbey and Karyn Flanagan for their efforts in assembling and managing the team. Their organisation ensured broad representation from across our clubs and provided a valuable opportunity for our swimmers.

### **State and National Representation**

We are proud to note that several swimmers from Southwest Zone clubs qualified and competed at both the NSW Age Championships (SOPAC) and the National Age Championships. Congratulations to all these athletes on their outstanding achievements and for representing our region at such high levels.

### **Technical Officials**

We continue to be grateful for our dedicated and growing team of technical officials. Their commitment ensures that our carnivals run smoothly and to the highest standards. Many of our

officials not only support our Zone but also volunteer across the wider SISA region, and at school, district, area, CHS, and All Schools levels, as well as Swimming NSW events.

We especially acknowledge the contributions of:

- Stephen and Michelle Mawbey, for managing the technical logistics of all our meets—including the provision of meet shells, Swim Central coordination, trophy updates, record maintenance, and equipment oversight.
- Merv Penny, for his ongoing role in maintaining accurate records of point scores, trophy winners, and meet records.
- Referees -Our small Band of referees (Carole Clark, Ingrid Corcoran, Karyn Flanagan, Stephen Mawbey, Mark Lake) who have done an outstanding job of volunteering for our carnivals
- Our Southwest Technical officials -Michelle Mawbey, Jill Mawbey, Tracey Clark, Kristin Twomey, Janette Dixon, Tom Gaskin, Di Hoare
- Referees from the Riverina -Priscilla Horsley, Jeremy Figgis, and technical officials Loma Harrison, Ondria Miller, and Tammy Mingay
- Technical officials from ACT, Michael Thorne

### **Acknowledgements and Thanks**

We extend our appreciation to the SISA Executive for their guidance and leadership throughout the season. We thank Mark Lake for his ongoing passion and commitment in his role as SISA President. Finally, thank you to every volunteer, coach, official, and club member who gives generously of their time to support swimming at the grassroots level. Your contribution is the backbone of our success, and we look forward to seeing you all again for what promises to be another exciting season in 2025–2026

Ingrid Corcoran and Stephen Mawbey

Chairperson (Southwest Zone -SISA) 2025

## ATSCC – Annual Report

2024-25 Season for the ATSCC role has been solely focused on recruiting Technical Officials for the SISA area.

Our area has been lucky enough to have several people join the team of technical officials which is fantastic. Unfortunately, we still don't have enough members to ensure that clubs can hold official club nights.

Moving into 2025-26 season the focus on technical official recruiting should be a high priority for clubs as it will become more and more difficult for clubs to hold and run meets without officials within their club.

## **DEVELOPMENT & REPRESENTATION REPORT**

This is my first year as SISA Development Convenor and what a great experience and opportunity it has been to be involved in. Our Area is so large it has been a challenge to get around, but during the long course season I have been able to get around to several swim meets and observe the talent that we have coming through in this Area.

The SISA Management Committee has worked very hard to provide development opportunities to our area swimmers throughout the season and this will continue to progress and develop as we move forward. One of the most recent initiatives SISA has formed up is a Junior Development Squad for the ages of 10- 14 years and selecting swimmers by invitation. This is the first time the SISA area has formulated a Development Squad. We will learn during the first year to see what works and does not work. The Squad has a total of around 76 Members. It would have been great to include more swimmers by like anything we worked on a criteria and we had to have a cutoff point. The Development Squads are run out of Junee Aquatic Centre, and I thank Junee Aquatic Centre for their continued support.

SISA continued to have several swimmers continue to progress through the SNSW Pathway Program for 2024-2025. SISA had an abundance of swimmers qualify for NSW Senior State early December, Swimmers qualify for NSW Country Championships, NSW Junior State and then on the Nationals which was held in Brisbane. Clubs from across SISA were well represented at the National Multi Class and National Age and Open Championship Meets.

SISA would like to congratulate all Swimmers on achieving the results in 2024-2025 along with Medals you received or placings your received throughout the season. We hope all the hard work, dedication, and commitment you put in, is achieving the goals that you and your coaches set throughout the season.

I would like to thank all the Coaches and Managers that dedicated their time for Speedo Sprints and Brophy throughout the 2024-2025 Season and most recently thank you to the area coaches who have offered their assistance with the 2025 Development Squads.

Jason O'Loghlin

SISA Development Convenor
