RESULTS

Each Meet Director of a SISA approved Area, Zone or Club Meet is responsible for ensuring all information <u>is correct</u> before they upload the results to Swim Central. Meet Manager and Team Manager files along with a PDF of results are to be forwarded to SISA's SNSW Meet Liaison Officer (Stephen Mawbey - <u>meetliaison.sisa@gmail.com</u>) as soon as practicable after the meet. These tasks <u>preferably should be completed within 48 hours</u> as there is a 7 day time limit for meet approval, otherwise results will not be approved by SNSW.
