- *Email 13/1/26 reply from Stephen Mawbey to Marney Parkinson Wagga Wagga Swim Club Vice President. The query is how the Come N Try works at the SISA meet? Come & Try Membership usually allows a swimmer to be involved with swimming for 60 days at no cost. This includes all insurance, Most clubs follow the rule that a Come & Try swimmer can be involved in club activities over the 60 days, once per week (Training, club night etc) I presume that could also extend to swim meets in the same time frame Swimmers can only sign up once as a come & try member, after that they need to select & pay for a full or club membership As for the SISA LC Champs & Speedo meet, Speedo rules state that anyone can swim the heats, although entries are via swim central or manual entry via club race secretary I would expect Come & Try would be able to enter any race that Club swimmers are allowed to enter.*
- *Email 13/1/26 to Marc Geppert, Manager - Wagga Leisure, re food van and coffee van operating both days. Hire of pool and costs, and if spectator entry or participant entry is to be paid, and if there is free entry for the officials working at the carnival*

MANAGEMENT COMMITTEE MEETING MINUTES

Held via ZOOM

MURRAY ZONE REPORT (Phil Evans)

Hope you all had a wonderful Christmas and New Year.

One swim meet since we last met in Murray. The interclub meet at Albury was well attended.

Apologies, we will not be at Leeton; I am still sorting out my parents' move to their new nursing home.

Attended Chris Hayes funeral with Judy and Anthony Foley: wonderful send-off and a credit to the Hayes family.

Looking forward to SISA Champs at Wagga.

RIVERINA ZONE REPORT (Alycia McLean)

Since our last meeting, the Riverina area has hosted several fantastic swim meets over the past few months. Deniliquin held a very successful meet, from all reports. Although there was a noticeable drop in temperature on the day, making it a little chilly, the meet itself ran well and was well received by those in attendance.

More recently, Leeton hosted the Country Regional Championships over the weekend. It was wonderful to see so many swimmers enjoying their racing, with plenty of smiling faces poolside after events. The atmosphere across the weekend reflected the hard work of both swimmers and organisers.

In addition, the Riverina area recorded some strong results at the Senior State Age Championships held in the week before Christmas. These performances were very pleasing to see and are a credit to the dedication of the swimmers, coaches, and particularly the parents who supported their athletes by travelling and committing time so close to the Christmas period.

I am sorry I can not attend the meeting tonight. Please reach out to me if there is anything I need to do with Speedo and Brophy.

I am also out from the 19th February till 7th March, between Country Championships, school swimming and going overseas.

SOUTHWEST ZONE REPORT (Stephen Mawbey, SW Zone Secretary)

Tumut, Yass & Young all held successful meets with increased entries

From all reports, the Country Regionals Meet held in Leeton was a great success. Well done to all

Quandialla entries have closed with a 15% increase in competitors attending the meet

SISA Champs & Speedo Meet has so far attracted 194 competitors, with one week until entries close, so entries are looking good
