**MURRAY ZONE REPORT** (Phil Evans)

Wodonga Aquatic Centre got back to me and said that the toilet facilities are been upgraded in May, and June. Ask the committee what they want. Congratulations to Rochelle with the combined Green and Blue Team at Brophy, the meet needs to be looked at for all different reasons if they are going to run it next year, also big thank you to the SISA Officials that ran this meet under time as well. Good luck to all the National swimmers from Murray and fingers crossed for Sienna Toohey on her attempt to Qualify for the Paris Olympics.

**RIVERINA ZONE REPORT** (Rochelle McDonald)

Riverina swimmers and clubs have been busy with Swimmers representing SISA at Speedo Sprint Finals at SOPAC, The James Brophy Inter-Memorial Meet at the AIS and Junior State Age, again at SOPAC.

A big thank you to Jason O'Loughlin from Finley SC and Annette Figgis from Wagga Wagga SC for their roles managing and coaching at Speedo Sprint finals.

James Brophy turned out to be a great day at the AIS pool. Although it was quite the battle to fill a team and we relied heavily on Murray zone to help us fill a team, a great day was had by the swimmers and there were lots of thank you's from swimmers and parents at the end of the day. A big thank you to Phil Evans for travelling to Canberra to officiate on behalf of Murray/Riverina. Thank you to Cassie Lee from Narrandera SC for coaching on the day and being so positive and great with many swimmers new to representative swimming. As it happened, many other teams were lacking an official and it came down to the fabulous team work and expertise of SISA managers and coaches who happened to be qualified officials, to help officiate the carnival on the day.

A big thank you to Mark Lake and Stephen Mawbey for refereeing, and the officials who travelled to Leeton on the 11th and 12th of March to help officiate at the Riverina Schools PSSA and CHS Swimming carnivals. Thank you to Priscilla Horsley for refereeing and organising the officials who ran the Catholic and regional carnivals held in Wagga Wagga the week before.

It has been great seeing all the social media posts by clubs promoting their end of season activities and swimmer achievements.

It is now important for Riverina clubs to decide when they would like to run their Summer carnivals for next season and to have their meet applications filled out and emailed to me ready for submission before the AGM. Getting this done will greatly

help SISA set the meet calendar for next Summer and prevent frequent changes after the fact, once the season starts.

**SOUTHWEST ZONE REPORT (Stephen Mawbey)**

We have come to the end of the 2023-24 summer swimming season other than our swimmers attending Nationals & school state meets.

Quandialla & Coolamon held their meets with good numbers attending both meets.

Quandialla has decided from now on to hold their Swim meet during the day & hopefully be finished before the hottest part of the day. It was a hot afternoon at Quandialla.

The Western & Riverina School CHS & PSSA Swim Meets both ran well with the assistance of our SISA Officials

SISA sent two teams to the James Brophy Meet held in Canberra in the middle of March, it was a great day with many PBs & medals by all. Due to some teams not being able to supply officials for the day, SISA stepped up to the plate & basically ran the meet, other than the timing system.

With local pools mostly closed for the winter & many swimmers still to compete at their School State meets, Di Hoare and Rachael Gray & myself have been training swimmers from Temora, West Wyalong & Quandialla in Temora's Indoor heated pool, this will continue into May when CHS state swimming is held.

Temora will then start training for the short course season. These training sessions are open to any registered swimmer,

We need to know where the SISA SC Meet will be held, if there is a pool hire, etc, so the meet shell can be ready for entries in late April.

I have completed a stocktake of all clothing etc. Our shirt orders from Black Chrome did arrive however they were almost two weeks late. Luckily we just got through with our existing stock. Some swimmers had to take the next size up though. We sold well above our usual number of shirts this year. I have listed the amount of clothing we will possibly need to order for next year.
