MURRAY ZONE REPORT (Phil Evans)

The summer season is up and running.

As of 13th October 2025, Swimming NSW has not granted Gould Swim Club a registered club of Swimming NSW. The club is still operating as Gould Swim Academy, with its swimmers registered at Corowa Swim Club. They are training at WAVES in Wodonga. My belief, they will eventually fold as GT did,

as they are having to pay Lane Hire Fees to Align Leisure, which I opposed when it was originally brought in for all clubs.

Albury held a successful Open meet on the 26th October 2025. A big thank you to all SISA Officials who helped. To Stephen Mawbey, who looked like a drowned rat when the meet finished, thank you for your efforts and for bringing the South West Equipment for the meet. Naomi Sly was assessed by Chris for her second Starter. Congrats Naomi.

We have a couple of parents interested in Officiating, will get them up and running at some of the local meets.

Good numbers for Wagga Wagga Open this weekend, will be helping Priscilla out in any area she needs.

North Albury Open in a couple of weeks, then off to Griffith on the 23rd of November.

RIVERINA ZONE REPORT (Alycia McLean)

Monthly Report – October 2025

The month of October has been steady, with most clubs preparing for the upcoming long-course season. This weekend, Wagga will host its long course meet, with an excellent 187 swimmers entered to compete. It's great to see strong participation and enthusiasm as the season begins to build momentum across the region.

Looking ahead, Griffith Swim Club's Long Course Meet is scheduled for Sunday, the 23rd of November 2025. Entries for this event will close on Tuesday, the 18th of November at 8 pm. At this stage, there are only 10 swimmers registered to compete. It is early days, and I am sure numbers will steadily increase over the coming weeks.

Leeton Swim Club has prepared their meet on Swim Central and submitted it for review on the 22nd of October. Stephen, I believe, has reviewed the meet and made some adjustments where required.

Swimming NSW has uploaded the list of scheduled events for the upcoming Country Regionals in Leeton. Entries for this meet will open on the 3rd of November 2025.

I have also had a recent conversation with a representative from Carrathool Shire Council, who oversees the maintenance of their facilities. During this discussion, he mentioned that there has been interest in re-establishing a Swim Club in Hillston. I have since begun investigating who is currently

involved in their committee. However, I have encountered a small hurdle, as their current president is someone I have previously had a disagreement with. To avoid any potential conflict or issues with Hillston Swimming Club rejoining Southern Inland Swimming, I believe it may be best for Mark or Stephen to follow this matter through further.
Overall, the Riverina area remains active and well-prepared for a strong long-course season ahead.

SOUTHWEST ZONE REPORT (Stephen Mawbey, SW Zone Secretary)

October 2025 Report to SISA

Clubs have started up for the summer season

Albury hosted a great meet, although the weather was not kind

Wagga look to have great numbers for their meet this weekend

I have spent some time assisting clubs with setting up their season in Swim Central

The SISA Champ meet is ready to be uploaded to Swim Central

I was contacted by a local club asking about the V Insurance certificate of currency

I found that although they have paid their S NSW membership, which includes the insurance, their club is not listed in the S A Ltd clubs

I also noticed there could be more missing

That club is contacting S NSW tomorrow to sort it out

AREA TECHNICAL CONVENOR Southern Inland ATSCC (Naomi Jones)

DEVELOPMENT CONVENOR REPORT – Jason O’Loughlin

The Southern Inland Development Squad has seen the wrap-up of the winter Squad Sessions, with a further session to be run on the 16th of November, with Noel Poynter leading the sessions. This session will be run in the outdoor pool.

Next year's program will be promoted soon, indicating that the investment in SISA will be the main criteria, and selection will be discretionary and by invitation only. The preliminary decision has happened with Gernardi Labara.

Many thanks to Mark Lake for his administration of the Development Squad
